CT4 Standard Equipment**

Interior

- Remote Start
 - Start your vehicle remotely and step into a comfortably warmed or cooled vehicle, depending on the weather and your preset preferences
- Dual-zone automatic climate control
 - Automatically maintains the selected temperatures for both the driver and front passenger
- Cabin air filter
 - Helps keep your cabin air fresh
- Rear air vents
 - Provides cabin comfort for rear occupants
- Assist handles
 - First and second row outboard seating positions
- Assist handles, rear outboard
- Cadillac Connected Access capable
 - Subject to terms. See onstar.com or dealer for details.
- Cruise control
 - Maintains a selected speed while driving
 - Set and resume speed functions
- Digital compass
- Power door locks
 - Lockout protection helps you avoid locking your key fob in the vehicle
- Front and rear carpeted floor mats
 - Help protect your interior from road debris and the elements
- Dual digital Driver Information Center display
 - Includes driver personalization, warning messages and vehicle information
 - Reconfigurable display
- Front head restraints
 - Adjustable (up/down)
- Rear head restraints
 - Adjustable (up/down)
 - Outboard seating positions
- Keyless Open
 - With the key fob in your possession, locks and unlocks your vehicle's doors without having to use the key fob, increasing convenience
 - Lockout protection helps you avoid locking keys in the vehicle
 - Set which doors unlock, and your exit features, with the driver's door in the Driver's Information Center preferences
- Ambient interior lighting
 - Includes door and footwell lighting
- Memory settings
 - Save preferences for up to two drivers for the driver seat adjuster, outside mirrors and power tilt and telescoping steering column (if equipped)
- Inside rearview auto-dimming mirror
 - Automatically dims the inside rearview mirror when it senses bright light from behind
 - When headlamp glare is no longer detected, the mirror returns to its normal state
 - Frameless mirror is designed and shaped to help expand the mirror surface
- 12-volt auxiliary front power outlet
 - Located in front center console storage compartment
- 12-volt auxiliary rear power outlet
 - Located on rear of center console for second-row passengers
- 2-way power driver and front passenger lumbar control
 - Adjust in and out
 - Supports your back and creates a more comfortable riding experience
- Seat adjuster, front passenger 2-way power lumbar adjustment (Upgradeable to (AVU) front passenger 4-way power lumbar adjustment when (Y6F) Climate Package is ordered.)
- Front bucket seats
 - Luxury models include 12-way driver and 10-way passenger adjustments
 - Premium Luxury models include 14-way driver and front passenger adjustments

Safety-Interior

- Passenger Sensing System
 - Automatically switches the front passenger seat frontal airbag on or off and illuminates a status light, in the overhead console, that indicates whether the airbag is on or off
- 8 airbags
 - Frontal airbags for driver and front passenger
 - Knee airbags for driver and front passenger
 - Seat-mounted side-impact airbags for driver and front passenger
 - Head-curtain airbags for both rows in outboard seating positions
- Forward Collision Alert
 - Can alert you when it detects that a front-end collision is imminent with a vehicle that you are following
 - It also can alert you if you are following a detected vehicle much too closely
- HD Rear Vision Camera
 - When in Reverse at low speeds, provides you a high resolution view of the scene directly behind the vehicle on the Infotainment screen to help you park and avoid nearby objects
 - Dynamic guidelines laid over the display image assist in parking maneuvers by showing the vehicle's path
- LATCH System
 - Lower Anchors and Tethers for Children system helps make it easy to install and secure a compatible child restraint seat
- LED Reflective Windshield Collision Alert
 - Can provide a flashing red windshield collision alert drawing your eyes to the road when certain front collision threats are detected
- OnStar® & Cadillac Connected Services capable
 - Terms and limitations apply. See onstar.com or dealer for details.
- Rear Park Assist
 - When driving in Reverse at low speeds, can provide distance alerts to nearby detected objects behind the vehicle to help you park and avoid objects
- Safety Alert Seat
 - Provides you the option of getting driver seat-bottom pulses instead of beeps for crash avoidance alerts
- Driver and front passenger seat belts
 - Lap and shoulder belts for driver and front passenger with pretensioners
- Rear seat belts
 - Lap and shoulder belts for all rear outboard positions
- Teen Driver
 - This configurable feature lets you activate customizable vehicle settings associated with a key fob to help encourage better driving behavior
 - It can limit certain vehicle features, and automatically turns on certain safety systems if vehicle is equipped
 - An in-vehicle report card gives you information on driving habits and helps you to continue to coach your new driver
- Tire Pressure Monitoring System
 - Monitors the pressure in each tire and alerts you if there is a low-pressure condition in one or more of the tires

Safety-Mechanical

- Automatic Emergency Braking
 - When traveling at speeds less than 50 MPH, the system can alert you if it detects that a front-end collision situation is imminent with a vehicle ahead you are following
 - It can also help reduce the collision's severity by automatically applying hard, emergency braking if you have not already or by enhancing driver hard braking
 - The system may even help avoid the collision at very low speeds
- Front Pedestrian Braking
 - At speeds below 50 MPH, can alert you when a collision is detected to be imminent with a pedestrian directly ahead

- Sport models and CT4-V include 18-way driver and front passenger adjustments
- Split-folding rear seat
 - Rear seat-release feature in the trunk creates a pass-through to the trunk that makes storing longer items easy
- Sill plate cover
 - Bright finish
 - Front door openings
- Manual tilt and telescoping steering column
 - Allows the driver to adjust the steering wheel up or down, and the steering column forward or back
- Steering-wheel mounted controls
 - Controls are positioned intuitively to make them convenient and easy to use
- Paddle shift controls
 - Controls mounted on the backside of the steering wheel for transmission shifting
- Leather-wrapped steering wheel
 - 3-spoke
 - Features sculpted hand grips and paddle shifters
- Universal Home Remote
 - 3-channel programmable
 - Conveniently activate compatible devices such as garage door openers, security systems, and home automation devices from inside your vehicle
- Driver and front passenger visors
 - Includes covered and illuminating mirrors
- Power window, driver, express-up/down
 - Quickly raises the window or lowers it with the touch of a button
- Power window, front passenger, express-up/down
 - Quickly raises the window or lowers it with the touch of a button
- Power windows, rear, express-down
 - Quickly lowers the window with the touch of a button

Mechanical

- Automatic Stop/Start with disable
 - At complete stops, when drivers keep their foot on the brake pedal, and under certain conditions, the engine shuts off to save fuel
 - When drivers remove their foot from the brake, the engine automatically restarts
- Automatic Vehicle Hold
 - Driver-selectable feature designed to help reduce fatigue during stop-and-go driving
 - Allows you to bring the vehicle to a stop and remove your foot from the brake while the feature holds the vehicle in place
- Electronic parking brake
 - Activated by the simple touch of a switch and can be operated even when the vehicle is turned off
- 4-wheel antilock disc brakes
 - Help reduce wheel lockup and maintain steering control during hard braking on most slippery surfaces
 - Brake system features a corrosion-fighting process called Ferritic Nitro-Carburizing (FNC) which can approximately double rotor life expectancy and reduce or minimize rust over non-FNC coated rotors
- Capless fuel fill
 - Helps keep your hands clean of dirt and fuel during fill ups
 - Prevents paint scratches that can result from a tethered fuel cap
- Rear-wheel drive
- Electric Power Steering
 - Increases or decreases the amount of assist depending on the steering wheel angle and vehicle speed
- 2.0L Turbo 4-cylinder engine
 - 237 hp @ 5000 rpm
 - 258 lb-ft of torque @ 1500-4000 rpm
 - Automatic Stop/Start with disable
 - Paired with an 8-speed automatic transmission
- Dual-outlet exhaust with bright tips
 - Integrated into fascia
 - Stainless steel
- Keyless Start
 - Uses an integrated key fob sensor instead of a traditional key
 - Keep your keys in your purse or pocket to start your vehicle
- 2.85 rear axle ratio
- Ride and Handling suspension
 - Independent MacPherson Strut front suspension with a double-pivot design along an independent 5-link rear suspension
 - Features straight link design for better efficiency and control, contributing to an outstanding balance of excellent handling and comfortable ride
- Tow hook
- 8-speed automatic transmission
 - Electronically controlled with overdrive

Entertainment

- 4G LTE Wi-Fi® hotspot capable
 - Terms and limitations apply. See onstar.com or dealer for details.
- 8-speaker premium audio system
 - Speakers are positioned throughout the cabin for outstanding sound quality and an enjoyable listening experience
- Bluetooth®
 - Pair your compatible mobile phone to your vehicle's infotainment system
- Cadillac user experience
 - 8" diagonal multi-touch color screen and Natural Voice Recognition technology
 - 2 USB ports
 - Personalized profiles for each driver's settings
 - Apple CarPlay™ capability for compatible phones
 - Android Auto™ capability for compatible phones
 - NFC (Near Field Communication) mobile device pairing
 - Connected Apps
 - Teen Driver
- HD Radio
 - Transmits Program Service Data, such as song titles and artist information
- SD card reader
 - Located within the front center console
- SiriusXM® Radio trial subscription
 - Welcome to the world of SiriusXM
 - Enjoy your trial subscription to the All Access package with over 150 channels including commercial-free music, plus sports, exclusive talk,

- Can also help reduce the collision's severity or avoid the collision by automatically applying hard, emergency braking if you have not already, or by enhancing driver hard braking
- Performance is limited at night

Exterior

- Upper and lower active aero shutters
 - Shutters automatically close at high speeds to help enhance aerodynamics
 - Shutters reopen at lower speeds or when needed to help cool the engine compartment
- Bright-accented outside door handles
 - Includes Keyless Open access from any door
- Acoustic laminated glass
 - Helps keep out traffic and road noises
 - Dampens sounds from the outside to help give you a quiet ride
 - Laminated front side and windshield glass
- Automatic on/off headlamps with Tunnel Detection
 - Setting the control to "Auto" turns on the headlamps to normal low-beam brightness, along with the taillamps, license plate lamp and other exterior lights when darkness is detected
 - Senses that you are entering a tunnel and automatically turns headlamps on
 - When you shut off the ignition and exit the car, the lights remain lit as you walk away
 - Headlamps will turn off automatically, after a set amount of time, to save battery life after the vehicle is turned off
- LED headlamps
 - Includes light pipes that channel and disperse vibrant light in dramatic ways resulting in CT5's elegant signature elements, visible day and night
- Body-color heated, power-adjustable, manual-folding outside mirrors with driver-side auto-dimming and integrated turn signal indicators
 - Both mirrors are heated and are activated when the rear defogger is engaged, helping to clear them of ice, snow and frost to help improve visibility
 - Auto-dimming feature automatically adjusts the driver-side outside mirror when it senses bright light from behind
 - Integrated turn signal indicators help communicate your intention to change lanes
- Bright window surround moldings
 - Upper bodyside
- Body-color rocker moldings
- Spare tire delete
- LED taillamps
 - Help improve visibility in low-light conditions
- Red outer lens taillamps
 - Feature a Red crystalline lens sculpted, detailed and integrated into the CT4 design
 - Provide elegance and vibrance, making those behind take notice
- 18" all-season, self-sealing tires
 - Includes a permanently installed internal sealant layer that surrounds a puncture object or fills the hole (after the object is ejected) to prevent air leakage and to maintain tire pressure
 - The sealant technology seals tread punctures up to ¼" diameter
 - No spare wheel or tire
- 18" premium painted alloy wheels with Sterling Silver finish
 - Paired with 18" all-season, self-sealing tires
- Windshield, acoustic laminated glass
- Rainsense™ automatic wipers
 - Turn on automatically when sensors detect varying degrees of precipitation on the windshield
 - The intermittent feature adjusts the speed of the wipers to help keep the windshield clear in a variety of conditions
