### Escalade Standard Equipment\*\*

#### Interior

- Accents, interior, piano black and chrome finish
- Remote Start
  - Start your vehicle remotely and step into a comfortably warmed or cooled vehicle, depending on the weather and your preset preferences
- Cadillac Connected Access capable
  - Subject to terms. See [onstar.com](http://onstar.com) or dealer for details.
- Cargo net
  - Helps secure and organize smaller items in your cargo area
- Tri-zone automatic climate control
  - Automatically maintains the selected temperatures for the driver, front passenger and rear seat passengers
- Front center console
  - Covered storage
  - Dual cupholders
  - Large and small storage bins
  - Electronic climate controls and second row heated seat controls
  - Inside console storage area contains auxiliary power outlet, 2 USB ports and auxiliary audio port
  - 110V household-style power outlet, auxiliary jacks and storage are located on the backside of console
- Console, overhead
- Cruise control
  - Set and resume speed functions
  - Steering-wheel mounted controls to easily maintain and manage cruising speed
- Rear window defogger
  - Helps to keep your rear view clear of fog or frost
  - Utilizes a warming grid to help remove fog or frost from the rear window
- Power door locks
  - Programmable
  - Lockout protection helps you avoid locking keys in the vehicle
- Driver Information Center with programmable personalization features such as door locking and unlocking, a trip computer with trip odometer and individual tire pressure read outs, fuel information such as range, average mpg, gallons used and oil life, and a message center that displays dozens of warning messages such as low fuel and door ajar
- Carpeted floor covering
  - Color-keyed
- Carpeted floor mats
  - Removable color-keyed floor mats for first and second rows
- 12" diagonal color Driver Information Center
  - Includes driver personalization, warning messages and vehicle information
- Head-Up Display
  - Projects vehicle information onto the windshield low in the driver's line of sight to help you keep your eyes on the road
  - Can select key vehicle, navigation or entertainment information to display
  - Adjustable vertical position and brightness of the display
- Keyless Open
  - With the key fob in your possession, locks and unlocks your vehicle's doors without having to use the key fob, increasing convenience
  - Lockout protection helps you avoid locking keys in the vehicle
- Interior lighting
  - Door handle release
  - Door storage
  - Front console
  - Footwell
- Lighting, interior, with theater dimming
- Lock control, side door, electric
- Memory settings
  - Save preferences for up to two drivers for the driver seat adjuster, outside mirrors, steering column and power-adjustable pedals
  - If programmed, easy exit features
- Power-adjustable pedals

#### Safety-Interior

- 7 airbags
  - Frontal airbags for driver and front passenger
  - Driver inboard seat-mounted side-impact airbag
  - Seat-mounted side-impact airbags for driver and front outboard passenger
  - Head-curtain airbags for all rows in outboard seating positions
- Automatic Parking Assist
  - Helps you parallel and perpendicular park while moving at idle speed by automatically steering the vehicle into a detected parking space while you follow text commands, select gears, and perform all braking and acceleration
  - Also includes Front and Rear Park Assist
- Rear child security door locks
  - When activated, prevents passengers from opening the rear doors from inside the vehicle
  - Allow rear doors to open from outside of the vehicle only
- Forward Collision Alert
  - Can alert you when it detects that a front-end collision is imminent with a vehicle that you are following
  - It also can alert you if you are following a detected vehicle much too closely
- Front and Rear Park Assist
  - Can provide distance alerts to nearby detected objects to help you park and avoid objects at low speeds
- Front outboard Passenger Sensing System for frontal outboard passenger airbag
- Lane Change Alert with Side Blind Zone Alert
  - Can help you avoid lane change crashes by providing side-mirror visual alerts when a moving vehicle is detected rapidly approaching or is in a side blind zone
- Lane Keep Assist with Lane Departure Warning
  - Can help you avoid crashes due to unintentionally drifting out of your lane by providing gentle steering wheel turns when the system detects you are drifting out of your lane with no turn signal or steering activity
  - Can also provide Lane Departure Warning alerts when a lane marker is crossed
- OnStar® & Cadillac Connected Services capable
  - Terms and limitations apply. See [onstar.com](http://onstar.com) or dealer for details.
- Rear Cross Traffic Alert
  - When in Reverse, can alert you to detected left- or right-cross traffic behind you (e.g., when backing out of a crowded parking space or driveway with side obstructions)
  - System issues audible beeps or directional pulses if equipped with the Safety Alert Seat
- Safety Alert Seat
  - Provides you the option of getting driver seat-bottom pulses instead of beeps for crash avoidance alerts
- Seat belts, all seating positions
  - Driver and front passenger with pretensioners
- Surround Vision
  - Provides drivers with an overhead "birds eye" view of the scene around the vehicle on the Infotainment screen
  - Helps the driver park and avoid nearby objects during low-speed maneuvering
- Teen Driver
  - This configurable feature lets you activate customizable vehicle settings associated with a key fob to help encourage better driving behavior
  - It can limit certain vehicle features, and automatically turns on certain safety systems if vehicle is equipped
  - An in-vehicle report card gives you information on driving habits and helps you to continue to coach your new driver
- Tire Fill Alert

- With the push of a button, the accelerator and brake move forward or back to help adjust to your most comfortable driving position
- Memory system will retain the settings for two drivers and move the adjustable pedals to the memory positions associated with the key fob used to unlock the vehicle, if the Auto Memory Recall feature is enabled
- 110-volt power outlet
  - 3-prong auxiliary household-style outlet
  - Located on the rear of the front console
- Rear Camera Mirror
  - Allows you to use either a traditional inside rearview mirror or a rearview camera mirror display that provides a wide, less obstructed view
  - Assists when driving, changing lanes, and checking for vehicles and traffic conditions
- Rear Seat Reminder
  - Helps to remind the driver to check the back seat(s) before leaving the vehicle
  - Activates when rear doors are opened and closed up to 10 minutes before or anytime while your vehicle is on
  - Under certain conditions, once the vehicle is switched off, designed to sound 5 audible chimes and display a visual message within the Driver Information Center
  - Activates only once each time the vehicle is turned on and off, and would require re-activation on a second trip
- 12-way power driver and front passenger seats
  - Adjust the seat up and down, fore and aft, and raise or lower the front or rear part of the seat cushion
  - Includes a 4-way power lumbar control and a power recline feature
  - Platinum includes Semi-Aniline leather seating surfaces, 18-way power seat adjusters, including driver-side 3-mode massage setting (front passenger seat includes 2-mode massage setting)
- Front bucket seats with leather seating surfaces
  - 12-way power driver and front passenger seat adjusters, including 4-way power lumbar control
  - Independently heated seat cushions and seatbacks (3 settings)
  - Driver's seat 2-position memory feature
    - Platinum includes:
    - Semi-Aniline leather seating surfaces for first and second row
    - Third row full leather seats
    - 18-way driver and front passenger seat adjusters, including 4-way power lumbar control and 3-mode driver massage setting (2-mode massage setting for front passenger)
- Heated and cooled driver and front passenger seats
  - Keep cool in summer and warm in winter with these heated and cooled seat cushions and seatbacks
  - When vehicle is on, and the feature is selected in the Driver Information Center, the automatic heated and cooled seats will be activated at the level required by the vehicle's interior temperature
- Heated second row outboard seats
  - At the touch of a button you can warm the cushions
  - Provide comfort in cold weather for passengers in the second row outboard seating positions
  - Passengers have their own controls to set the temperature
- Power second row bucket seats
  - Include a power release that lets you conveniently fold and tumble the seats at the press of a button
  - Seats can be tumbled forward to allow ease of entry to the third row
  - May substitute second row 60/40 split-folding bench seats
- Power 60/40 split-folding third row bench seat
  - Power feature allows the seat to be conveniently folded or raised up from a folded position
  - Split-folding feature allows each side to fold flat independently
- Inclination sensor
  - Detects vertical motion of your vehicle and triggers an alarm response if your vehicle or wheels are lifted with a tow truck or a vehicle jack
- Interior movement sensor
  - As part of the security system, monitors the vehicle interior
  - Activates the alarm when it senses unauthorized entry or movement
- Power tilt and telescoping steering column
  - Allows the driver to adjust the steering wheel up or down, and the steering column forward or back
  - Provides extra comfort when entering or exiting the vehicle
  - Use the driver memory to save and recall memory settings
- Steering-wheel mounted controls
  - Allow the driver to easily operate the audio system, phone interface, cruise control and Driver Information Center controls
  - Driver Information Center access provides important readouts on the vehicle's systems and menus to customize feature preferences
  - Controls are positioned intuitively to make them convenient and easy to use
- Leather-wrapped heated steering wheel
  - Heated for added comfort when the weather turns cool
- Power-tilt, color-keyed steering wheel
  - Leather-wrapped rim with wood trim
  - Gives you the ability to adjust the steering wheel to your preferred position
  - Heated steering wheel is standard
- Content theft-deterrent system
  - Additional shielded, self-powered alarm system will set off an alarm when vehicle tampering has been detected
  - Helps deter potential break-in or theft
- Theft-deterrent unauthorized entry system
  - Sounds the horn and flashes the turn signals when someone attempts to open the vehicle without the proper key or remote transmitter
  - Helps deter unauthorized entry, helping to protect your vehicle
  - Engine immobilizer
- Tow/haul mode selector
- Universal Home Remote
  - 3-channel programmable
  - Conveniently activate compatible devices such as garage door openers, security systems, and home automation devices from inside your vehicle
- Power windows with driver express-up/down and front and rear passenger express-down
  - Quickly raises the window or lowers it with the touch of a button
  - Auto express down via key fob
  - If obstruction is detected, the anti-pinch feature will auto-reverse
  - Lockout feature for the rear window controls can be activated by a button on the driver door
- Windows, power, with driver and front passenger Express-Up/Down and rear

- Provides visual and audible alerts outside the vehicle when inflating an under inflated tire to the recommended tire pressure
- Requires vehicle to be started and driver door closed
- Tire Pressure Monitoring System
  - Monitors the pressure in each tire and alerts you if there is a low-pressure condition in one or more of the tires
  - Properly inflate tires to help optimize your vehicle's ride, handling and efficiency
  - Includes Tire Fill Alert

## Safety-Mechanical

- Automatic Emergency Braking
  - When traveling at speeds less than 50 MPH, the system can alert you if it detects that a front-end collision situation is imminent with a vehicle ahead you are following
  - The system can alert you if it detects that a front-end collision situation is imminent with a vehicle ahead you are following
  - It can also help reduce the collision's severity by automatically applying hard, emergency braking if you have not already or by enhancing driver hard braking
- Hill Start Assist
  - When you are stopped on an incline, this feature keeps the brakes engaged for a split second as you transition from brake pedal to gas pedal
  - Automatically releases once you press down on the accelerator
  - Prevent vehicle roll-back while the driver moves his/her foot from the brake to the accelerator pedal
  - Prevent vehicle roll-back while the driver moves his/her foot from the brake to the accelerator pedal
- StabiliTrak, electronic stability control system with traction control
  - Automatically helps enhance control, particularly during emergency maneuvers, by adjusting the brakes and engine torque to help you stay on your intended path
  - With Rollover Mitigation

## Exterior

- Black assist steps
  - Textured step pads help provide secure footing
  - Extend from wheel well to wheel well
- Acoustic laminated glass
  - Helps keep out traffic and road noises
  - Dampens sounds from the outside to help give you a quiet ride
- Deep-tinted glass
  - Provides added protection from sun and glare
  - Tint on rear side windows and rear liftgate window
- Hands-Free Power Liftgate
  - Allows you to open and close the liftgate by simply kicking your foot beneath the center of the bumper
- LED headlamps
  - Incorporate Total Internal Reflection (TIR) LED high-beam function, which consists of four vertically stacked crystal lenses and LEDs for a light pipe effect
  - Low beam consists of five crystal lenses and LEDs that create the light pattern
  - Headlamp bezel is branded with the Cadillac script
- Automatic on/off headlamps
  - Setting the control to "Auto" turns on the headlamps to normal low-beam brightness when sensors detect a certain level of darkness, along with the taillamps, license plate lamp and other exterior lights
  - Headlamps will turn off automatically, after a set amount of time, to help save battery life
- IntelliBeam
  - Automatically turns on and off your vehicle's high beam headlamps according to surrounding traffic conditions
  - The automatic high beams will stay on until a sensor detects an approaching vehicle's headlamps or preceding vehicle's taillamps
- Roof rails
- Body-color heated, driver-side auto-dimming power-folding outside mirrors with integrated turn signal indicators
  - Heated feature helps clear away ice and fog
  - Power adjustments allow you to move both side mirrors with the touch of a button
  - The auto-dimming feature automatically adjusts the outside mirror when it senses bright light from behind
  - Programmable to provide a curb view when vehicle is shifted into reverse
  - Ground illumination to help illuminate the area near the door
- Chrome bodyside moldings
- Active aero shutters
  - Automatically close when additional engine cooling is not needed
- Spare tire lock
  - Mounts and locks the spare tire under your vehicle
- Power sunroof
  - Opens at the touch of a switch
  - Tilts upwards for extra ventilation
  - Wind deflector helps minimize wind noise
  - Sunshade can be closed when you want to block light from entering the cabin from above
- LED taillamps
  - Feature a distinctive light blade design
  - Tall, thin vertical LED lamps extend toward the roofline
- 17" all-season spare tire
- 22" all-season tires
- 17" full-size spare steel wheel with Black finish
- 22" 7-spoke alloy wheels with Chrome inserts/Pearl Nickel finish
  - Paired with 22" all-season tires
- Solar-absorbing glass
  - Helps minimize the effects of solar rays entering the cabin
  - Assists in maintaining a more comfortable interior temperature
- Rear intermittent wiper
  - Keeps your rear window clear to help enhance visibility
  - When not in use, the wiper is concealed by the rear spoiler for a seamless appearance
- Rainsense™ automatic wipers
  - Turn on automatically when sensors detect varying degrees of precipitation on the windshield
  - The intermittent feature adjusts the speed of the wipers to help keep the windshield clear in a variety of conditions

passengers Express-Down

- Wireless Charging
  - Uses induction technology for portable electronic devices

## Mechanical

- High-capacity air cleaner
  - Thick construction helps to trap more dirt before it can enter the air intake
- 170-amp alternator
- Automatic load leveling, rear
- 4-wheel antilock disc brakes
  - Help reduce wheel lockup and maintain steering control during hard braking on most slippery surfaces
- DuraLife<sup>®</sup> brake rotors
  - Can provide enhanced resistance to corrosion to help increase rotor life, minimize brake pulsation, and improve aesthetic appearance
- VAC power brakes
  - 17" disc VAC power brakes with Vehicle Stability Enhancement System (VSES)
  - Disc brakes reduce heat buildup when braking to help maintain braking performance
  - VSES enhances the driver's control of the vehicle when driving on most slippery surfaces and during sudden lane changes or emergency maneuvers
- Capless fuel fill
  - Helps keep your hands clean of dirt and fuel during fill ups
  - Prevents paint scratches that can result from a tethered fuel cap
  - Creates a tight seal around the fuel-pump nozzle when the nozzle is fully inserted
- External engine oil cooler
  - Heavy-duty air-to-oil cooler
  - Helps the engine generate peak performance efficiently
  - Helps prevent possible engine oil breakdown during high-performance driving or under loads
- External transmission oil cooler
  - Helps prevent transmission overheating
  - Helps provides optimal transmission performance even when operating under a heavy load or towing a trailer
- Locking rear differential
  - Heavy-duty
  - For added traction and better capability, this feature helps your vehicle power through the toughest terrain by keeping the rear wheels moving together
  - When the differential senses a significant difference in wheel speed, it locks to turn both rear wheels in unison for added traction
- 6.2L V8 engine
  - 420 hp and 460 lb-ft of torque
  - Uses Active Fuel Management<sup>®</sup> cylinder-deactivation system; the additional engine torque allows the engine to operate in 4-cylinder mode longer
- Four wheel drive
- GVWR, 7300 lbs. (3311 kg) (4WD models only.)
- Keyless Start
  - Uses an integrated key fob sensor instead of a traditional key
  - Keep your keys in your purse or pocket to start your vehicle
  - With the vehicle in Park or Neutral, press the brake pedal and then press the engine start/stop button to start the engine; the green indicator on the button will illuminate
  - Shift to Park and press the engine start/stop button to turn off the engine
- 3.23 rear axle ratio
- Electric Power Steering
  - Electronic, variable-assist forward rack-mounted ZF steering gear provides precise feel with the perfect amount of effort
- Magnetic Ride Control
  - Monitors each wheel independently during your drive, adjusting vertical suspension every millisecond to maintain a smooth ride
  - Enhanced ride and handling in a variety of road surface conditions
  - Selectable modes automatically adjust suspension tuning, transmission shift points and steering gain
- Heavy-duty trailering equipment
  - Trailering hitch platform
  - 7-wire harness with independent fused trailering circuits
  - 7-way sealed connector
  - When properly equipped, 2WD can tow up to 8300 lbs. and 4WD up to 8100 lbs.
- Autotrac<sup>®</sup> 2-speed transfer case
  - Driver-selectable two-speed transfer case on 4WD models
  - Includes a 4-position knob (2WD high, AUTO, 4 HI, 4 LOW and neutral)
  - When in AUTO mode, remains in 2WD mode until the system detects wheel slippage
  - Automatically engages 4WD until traction is regained
  - Allows driver shift-on-the-fly capability from 2WD to 4WD at any speed, using the rotary control
  - Provides a neutral position for dinghy/flat towing behind another vehicle
- 10-speed automatic transmission
  - Electronically controlled with overdrive, tow/haul mode and tap up/tap down shifting
  - Paired to the 6.2L V8 engine

## Entertainment

- 4G LTE Wi-Fi<sup>®</sup> hotspot capable
  - Terms and limitations apply. See [onstar.com](http://onstar.com) or dealer for details.
- Active Noise Cancellation
  - This technology blocks and absorbs sound, as well as dampens and eliminates vibrations, helping to leave outside noise where it belongs
  - In-cabin microphones distinguish unwanted powertrain noise and cancels it to help create a quiet interior cabin
- Bose<sup>®</sup> Centerpoint<sup>®</sup> Surround Sound 16-speaker audio system
  - Includes AudioPilot<sup>®</sup> noise compensation technology
  - Monitors cabin noise levels and seamlessly adjusts volume level and equalization
- Single-slot CD/MP3 player
  - Offers a choice of media so you can play your favorite music through your vehicle's audio system
- Bluetooth<sup>®</sup>
  - Pair your compatible mobile phone to your vehicle's infotainment system
  - Place and receive hands-free phone calls
  - Store your phone's contact list in the system to place an outgoing call quickly using the touch-screen display or voice command system
  - With streaming audio capability, you can listen to content/streaming music services through your phone or Bluetooth digital media device

## Safety-Exterior

- Rear Camera Mirror Washer
  - The washer routes washer fluid to the rear camera lens and can spray on command
  - Fluid washes over the camera lens to help to remove mud, dust, snow, ice and moisture

## Warranty

- Basic: 4 Years/50,000 Miles
- Drivetrain: 6 Years/70,000 Miles
- Corrosion: 4 Years/50,000 Miles Rust-Through 6 Years/Unlimited Miles
- Roadside Assistance: 6 Years/70,000 Miles
- Maintenance: 1 Year/1 Visit

- Cadillac user experience with navigation
  - ◊ Cadillac user experience with navigation with 8" diagonal multi-touch color screen and Natural Voice Recognition technology
  - ◊ 4 USB ports
  - ◊ Auxiliary input jack for connecting portable media devices
  - ◊ Apple CarPlay™ capability for compatible phones
  - ◊ Android Auto™ capability for compatible phones
  - ◊ Connected Apps
  - ◊ Teen Driver
- HD Radio
  - ◊ Provides consumers with additional channels known as HD2, HD3 and HD4
  - ◊ Transmits Program Service Data, such as song titles and artist information
- SiriusXM NavTraffic
  - ◊ Avoid congestion before you reach it by enhancing your vehicle's navigation or entertainment system with SiriusXM NavTraffic
  - ◊ With detailed information on traffic speed, accidents, construction, road closures and more, you will get to your destination faster and more easily than ever before
  - ◊ Incident coverage of most major roadways nationwide
  - ◊ Alerts on major accidents, construction and road closings
  - ◊ 24/7 coast-to-coast, best-in-class traffic information
  - ◊ Color-coded roads on your screen show traffic speed in major metro areas
- SiriusXM® Radio trial subscription
  - ◊ Welcome to the world of SiriusXM
  - ◊ Enjoy your trial subscription to the All Access package with over 150 channels including commercial-free music, plus sports, exclusive talk, entertainment and news
  - ◊ Plus, listen on the SiriusXM app, online and at home on compatible connected devices — it's included with All Access, so you'll hear the best SiriusXM has to offer, anywhere life takes you

**Package**

- Driver Awareness Package
  - ◊ Automatic Emergency Braking
  - ◊ Forward Collision Alert
  - ◊ Lane Keep Assist with Lane Departure Warning
  - ◊ IntelliBeam automatically switches between high and lo beams
  - ◊ Lane Change Alert with Side Blind Zone Alert
  - ◊ Rear Cross Traffic Alert
  - ◊ Safety Alert Seat
- Theft-Deterrent Package
  - ◊ Self-powered horn
  - ◊ Interior movement sensor
  - ◊ Inclination sensor
  - ◊ Door lock shields
  - ◊ Glass break sensors in the rear quarter glass and litgate window

While every effort is made to assure this information to be accurate, variations in the manufacturing process, dealer installed accessories and mileage figures may cause this window sticker display to vary from that on the vehicle. Check with your dealer for complete information.
