Traverse Standard Equipment**

Interior

- Tri-zone automatic climate control
 - Automatically maintains the selected temperatures for the driver, front passenger and rear seat passengers
 - Auxiliary controls in the rear of the cabin include air delivery mode and temperature up/down settings
 - Sensors strategically located around the vehicle constantly monitor the temperature, including solar heating from the windows
- Cargo storage, tray under rear floor
- Chevrolet Connected Access capable
 - Subject to terms. See onstar.com or dealer for details.
- 8-point digital compass
 - Located in the Driver Information Center
- Front center console
 - Keep valuables and smaller items secure
 - Dual cupholders
 - Large lit bin with removable tray
- Cruise control
 - Maintains a selected speed while driving
 - Automatically disengages when the vehicle's traction control system needs to limit wheelspin on slippery surfaces or when the StabiliTrak® stability control system detects an oncoming skid
 - Set and resume speed functions
 - Steering-wheel mounted controls to easily maintain and manage cruising speed
- 10 total cupholders
- Rear window defogger
 - Helps to keep your rear view clear of fog or frost
 - Utilizes a warming grid to help remove fog or frost from the rear window
- 4.2" diagonal color Driver Information Center
 - Provides key vehicle information, such as vehicle speed, fuel range, average fuel economy, tire pressure, oil life, trip odometer and warning
 - May require additional optional equipment
- Power door locks
 - Programmable
 - Allows you to lock and unlock doors easily whether it's from the driver or front passenger seat or from outside using the key fob
 - Lockout protection helps you avoid locking keys in the vehicle
- Carpeted floor covering
 - Matches your vehicle floor carpet color
- Carpeted floor mats
 - All rows
 - Helps protect your interior from road debris and the elements
 - Engineered to fit your vehicle perfectly
 - Color-keyed to match the interior
- 2-way adjustable front head restraints
 - Easily adjust up or down, giving you the comfort you expect
- 2-way adjustable rear head restraints
 - Second and third row outboard seating positions
- Rear heat duct
 - Provide additional cabin comfort for rear occupants
- Keyless Open
 - With the key fob in your possession, locks and unlocks your vehicle's doors without having to use the key fob, increasing convenience
 - Lockout protection helps you avoid locking keys in the vehicle
- Interior lighting
 - Theater dimming and delayed entry/exit lighting as you enter or leave the vehicle
 - Overhead courtesy lamp
 - Dual reading lights
 - Second row reading lamps integrated into dome light
 - Illuminated entry and exit feature
 - Door and tailgate activated switches
 - Cargo area
- 120-volt power outlet

Safety-Interior

- Airbag system
 - Frontal airbags for driver and front passenger
 - Driver inboard seat-mounted side-impact airbag
 - Seat-mounted side-impact airbags for driver and front passenger
 - Head-curtain airbags for all rows in outboard seating positions
- Automatic Emergency Braking
 - When traveling at speeds less than 50 MPH, the system can alert you if it detects that a front-end collision situation is imminent with a vehicle ahead you are following
 - It can also help reduce the collision's severity by automatically applying hard, emergency braking if you have not already or by enhancing driver hard braking
 - The system may even help avoid the collision at very low speeds
 - May require additional optional equipment
- Rear child security door locks
 - When activated, prevents passengers from opening the rear doors from inside the vehicle
 - Allow rear doors to open from outside of the vehicle only
- Following Distance Indicator
 - Can provide you with the following gap time (or headway) to a moving vehicle you are detected to be following to help you know if you are following much too closely
 - May require additional optional equipment
- Forward Collision Alert
 - Can alert you when it detects that a front-end collision is imminent with a vehicle that you are following
 - It also can alert you if you are following a detected vehicle much too closely
 - May require additional optional equipment
- Front Pedestrian Braking
 - At speeds below 50 MPH, can alert you when a collision is detected to be imminent with a pedestrian directly ahead
 - Can also help reduce the collision's severity or avoid the collision by automatically applying hard, emergency braking if you have not already, or by enhancing driver hard braking
 - Performance is limited at night
 - May require additional optional equipment
- HD Surround Vision
 - Provides you with a high resolution birds-eye view of the scene around the vehicle on the infotainment screen
 - Helps the driver park and avoid nearby objects at low speeds
 - Additional views can be selected
 - May require additional optional equipment
- Horn, dual-note
- LATCH System
 - Lower Anchors and Tethers for Children system helps make it easy to install and secure a compatible child restraint seat
- Lane Change Alert with Side Blind Zone Alert
 - Can help you avoid lane change crashes by providing side-mirror visual alerts when a moving vehicle is detected rapidly approaching or is in a side blind zone
 - May require additional optional equipment
- Lane Keep Assist with Lane Departure Warning
 - Can help you avoid crashes due to unintentionally drifting out of your lane by providing gentle steering wheel turns when the system detects you are drifting out of your lane with no turn signal or steering activity
 - Can also provide Lane Departure Warning alerts when a lane marker is crossed
 - May require additional optional equipment
- OnStar® & Chevrolet Connected Services capable
 - Terms and limitations apply. See onstar.com or dealer for details.
- Passenger Sensing System
 - Automatically switches the front passenger seat frontal airbag on or off and

- ◊ Can be used to plug in electrical equipment, such as a cell phone or a portable device
- ◊ When not in use, the outlet's protective cover snaps into place
- ◊ May require additional optional equipment
- Remote Start
 - ◊ Start your vehicle remotely and step into a comfortably warmed or cooled vehicle, depending on the weather and your preset preferences
 - ◊ Locks doors and turns on parking lamps while the engine is running
 - ◊ Activates the climate control system
 - ◊ May require additional optional equipment
- Remote panic alarm
 - ◊ Use to assist in an emergency situation or help in locating your vehicle
- 8-way power driver seat
 - ◊ Seat position forward and back
 - ◊ Seat position up and down
 - ◊ Tilt seat cushion up and down
 - ◊ Recline seatback forward and back
 - ◊ Memory feature recalls the seat to your preferred driving position (only available on Premier and High Country)
 - ◊ Also includes 2-way power lumbar
- 6-way power front passenger seat
 - ◊ Seat position forward and back
 - ◊ Seat position up and down
 - ◊ Recline seatback forward and back
 - ◊ Also includes 2-way power lumbar
- Power driver seat lumbar control
 - ◊ Lumbar area expands and retracts to provide lower back support
- Power front passenger seat lumbar control
 - ◊ Lumbar area expands and retracts to provide lower back support
- Seat trim, leather-appointed
- 7-passenger seating
 - ◊ Provides a 2-2-3 configuration for optimum passenger capacity and comfort
 - ◊ Second row includes 2 flat-folding captain's chairs
 - ◊ Second row passenger-side seat features SmartSlide allowing quick and easy access to third row seating area with a simple pull of a lever
 - ◊ Third row 60/40 split flat-folding 3-passenger bench seat
- Front bucket seats
- Heated driver and front passenger seats
 - ◊ Separate buttons on the climate control panel allow you to choose from 3 levels of warmth
 - ◊ At the touch of a button you can warm the cushions and seatbacks with multilevel temperature control
 - ◊ May require additional optional equipment
- Manual 60/40 split-folding third row bench seat
 - ◊ Can fold one or both sides down
 - ◊ Adds cargo- and passenger-carrying versatility to your vehicle
- Interior humidity sensor
 - ◊ Continuously reads the temperature and humidity inside the vehicle
 - ◊ Automatically adjusts airflow to match the individual climate settings for both the driver and front passenger
- Manual tilt and telescoping steering column
 - ◊ Allows the driver to adjust the steering wheel up or down, and the steering column forward or back
 - ◊ Provides extra comfort when entering or exiting the vehicle
- Steering-wheel mounted controls
 - ◊ Allow the driver to easily operate the audio system, phone interface and cruise controls
 - ◊ Controls are positioned intuitively to make them convenient and easy to use
- Automatic heated steering wheel
 - ◊ Based on the vehicle's interior temperature, the automatic heated steering wheel will turn on when the automatic front heated seat (when equipped) is on
 - ◊ Can turn on/off manually by pressing the button on the steering wheel
 - ◊ May require additional optional equipment
- Leather-wrapped steering wheel
 - ◊ Includes controls for audio, phone and cruise control
- Theft-deterrent unauthorized entry system
 - ◊ Sounds the horn and flashes the turn signals when someone attempts to open the vehicle without the proper key or remote transmitter
 - ◊ Helps deter unauthorized entry, helping to protect your vehicle
- USB ports
 - ◊ 6 standard USB ports with 2 in each row
- Umbrella holders
 - ◊ Located in front door pockets
- Universal Home Remote
 - ◊ 3-channel programmable
 - ◊ Conveniently activate compatible devices such as garage door openers, security systems, and home automation devices from inside your vehicle
 - ◊ May require additional optional equipment
- Driver and front passenger visors with illuminated mirrors
 - ◊ Include covered mirrors
- Power windows with driver express-up/down and front passenger express-down
 - ◊ Quickly raises the window or lowers it with the touch of a button
 - ◊ If an obstruction is detected, the anti-pinch feature will auto-reverse

- illuminates a status light that indicates whether the airbag is on or off
- Rear Camera Mirror
 - ◊ Allows you to use either a traditional inside rearview mirror or a rearview camera mirror display that provides a wide, less obstructed view
 - ◊ Assists when driving, changing lanes, and checking for vehicles and traffic conditions
 - ◊ May require additional optional equipment
- Rear Cross Traffic Alert
 - ◊ When in Reverse, can alert you to detected left- or right-cross traffic behind you (e.g., when backing out of a crowded parking space or driveway with side obstructions)
 - ◊ Displays warning triangles with left/right indicator arrows in the Rear Vision Camera screen
 - ◊ System issues audible beeps or directional pulses if equipped with the Safety Alert Seat
 - ◊ May require additional optional equipment
- Rear Park Assist
 - ◊ When driving in Reverse at low speeds, can provide distance alerts to nearby detected objects behind the vehicle to help you park and avoid objects
 - ◊ May require additional optional equipment
- Rear Seat Reminder
 - ◊ Helps to remind the driver to check the back seat(s) before leaving the vehicle
 - ◊ Activates when rear doors are opened and closed up to 10 minutes before or anytime while your vehicle is on
 - ◊ Under certain conditions, once the vehicle is switched off, designed to sound 5 audible chimes and display a visual message within the Driver Information Center
 - ◊ Activates only once each time the vehicle is turned on and off, and would require re-activation on a second trip
- Teen Driver
 - ◊ This configurable feature lets you activate customizable vehicle settings associated with a key fob to help encourage better driving behavior
 - ◊ It can limit certain vehicle features, and automatically turns on certain safety systems if vehicle is equipped
 - ◊ An in-vehicle report card gives you information on driving habits and helps you to continue to coach your new driver
- Tire Pressure Monitoring System
 - ◊ Monitors the pressure in each tire and alerts you if there is a low-pressure condition in one or more of the tires
 - ◊ Properly inflate tires to help optimize your vehicle's ride, handling and efficiency
 - ◊ Includes Tire Fill Alert

Safety-Mechanical

- StabiliTrak, electronic stability control system with traction control
 - ◊ Automatically helps enhance control, particularly during emergency maneuvers, by adjusting the brakes and engine torque to help you stay on your intended path
 - ◊ Activates when vehicle sensors detect a difference between the driver's intended path and the direction the vehicle is actually travelling
 - ◊ Includes Traction Control that detects wheel slippage and applies brake pressure and/or reduces engine power to help the driver maintain control when accelerating on wet or snow-covered roads

Exterior

- Body-color door handles
- Fascia, front body-color
- Fog lamps
 - ◊ Help minimize glare in adverse driving conditions
- Deep-tinted glass
 - ◊ Provides added protection from sun and glare
 - ◊ Tint on rear side windows and rear liftgate window
- IntelliBeam
 - ◊ Automatically turns on and off your vehicle's high beam headlamps according to surrounding traffic conditions
 - ◊ The automatic high beams will stay on until a sensor detects an approaching vehicle's headlamps or preceding vehicle's taillamps
 - ◊ May require additional optional equipment
- Automatic on/off headlamps
 - ◊ Setting the control to "Auto" turns on the headlamps to normal low-beam brightness when sensors detect a certain level of darkness, along with the taillamps, license plate lamp and other exterior lights
- High-Intensity Discharge (HID) headlamps
 - ◊ Provide a bright, intense beam of light to help illuminate road signs and highway
 - ◊ Help improve down-the-road visibility in low-light conditions
- Power programmable liftgate
 - ◊ Opens your liftgate with the touch of a button
 - ◊ Memory height function allows you to program how high the gate opens to suit you
 - ◊ Operate the power liftgate in 3 different ways: using the liftgate button on the Remote Keyless Entry transmitter, pressing the liftgate button inside the vehicle or pressing the touchpad on the bottom of the liftgate
 - ◊ May require additional optional equipment
- Body-color mirror caps

Mechanical

- 170-amp alternator
- 3.49 axle ratio
- Heavy-duty 600 cold-cranking amps battery
 - ◊ Maintenance-free with rundown protection and retained accessory power
- 4-wheel antilock disc brakes
 - ◊ Help reduce wheel lockup and maintain steering control during hard braking on most slippery surfaces
- Capless fuel fill
 - ◊ Helps keep your hands clean of dirt and fuel during fill ups
 - ◊ Creates a tight seal around the fuel-pump nozzle when the nozzle is fully inserted
- E10 fuel capable
 - ◊ Allows your vehicle to operate on a fuel mixture of 10% ethanol and 90% gasoline that is sold in many parts of the country
- Electronic parking brake
 - ◊ Takes the place of the manual foot actuated parking brake
 - ◊ Activated by the simple touch of a switch and can be operated even when the ignition is turned off
 - ◊ Brake is automatically set if the system senses the vehicle is parked on a steep incline
- Automatic Stop/Start
 - ◊ At complete stops, when drivers keep their foot on the brake pedal, and under certain conditions, the engine shuts off
 - ◊ When drivers remove their foot from the brake, the engine automatically restarts
- 3.6L V6 engine
 - ◊ 310 hp @ 6800 rpm
 - ◊ 266 lb-ft of torque @ 2800 rpm
 - ◊ Variable Valve Timing and Spark Ignition Direct Injection
 - ◊ Includes Stop/Start technology that, under certain conditions, automatically shuts off the engine when the vehicle comes to a stop and the brake pedal is pressed; the engine restarts on its own when the brake is let up
- Front wheel drive
- 6,160 lbs. GVWR
 - ◊ When properly equipped; includes weight of vehicle, passengers, cargo and equipment
- Electric Power Steering
 - ◊ Increases or decreases the amount of assist depending on the steering wheel angle
 - ◊ Electric, rack-mounted with variable assist
- Ride and Handling suspension
 - ◊ Fully independent suspension is tuned for a smooth ride and optimum handling
 - ◊ MacPherson strut coil spring front suspension with a large stabilizer bar and side-load-compensated front strut modules
 - ◊ Includes an independent 5-link rear suspension
- Road emergency tool kit
 - ◊ Contains a jack and lug nut wrench for changing flat tires
 - ◊ Helps keep you prepared for the unexpected
- Traction Mode Select
 - ◊ Allows you to select how your vehicle responds and adapts to various driving conditions
 - ◊ It allows for real-time control based on changing conditions
- 9-speed automatic transmission
 - ◊ Electronically controlled transmission with overdrive and Driver Shift Control
 - ◊ Smooth, effortless automatic shifting

Entertainment

- 4G LTE Wi-Fi® hotspot capable
 - ◊ Terms and limitations apply. See onstar.com or dealer for details.
- Active Noise Cancellation
 - ◊ This technology blocks and absorbs sound, as well as dampens and eliminates vibrations, helping to leave outside noise where it belongs
- Bose® premium audio system
 - ◊ 10 speakers
 - ◊ Provide clear, authentic acoustic reproduction of your favorite music
 - ◊ Bose® is renowned for expert sound engineering and high-quality audio and with premium speakers positioned throughout the cabin, you'll get rich, concert-like sound
 - ◊ May require additional optional equipment
- Chevrolet Infotainment 3 Premium System with Navigation and 8" diagonal HD color touchscreen
 - ◊ GPS navigation system that maps in 2-D and 3-D
 - ◊ 8" diagonal HD color touchscreen
 - ◊ Bluetooth® audio streaming for 2 active devices for compatible phones
 - ◊ Enhanced voice recognition, additional memory for in-vehicle apps, cloud connected personalization for select infotainment and vehicle settings (Subscription required for enhanced and connected services after trial period)
 - ◊ Voice command pass-through to phone for compatible phones
 - ◊ Apple CarPlay™ capability for compatible phones
 - ◊ Android Auto™ capability for compatible phone
 - ◊ Use, control and manage select smartphone apps through the Infotainment system
 - ◊ May require additional optional equipment
- SiriusXM Radio
- SiriusXM® with 360L trial subscription
 - ◊ Enjoy a trial subscription to the SiriusXM All Access package and enjoy the full SiriusXM with 360L experience
 - ◊ This vehicle is equipped with SiriusXM with 360L— a greater variety of SiriusXM content, a more personalized experience and easier navigation. For the full SiriusXM with 360L experience, a SiriusXM All Access Package is required. If you subscribe to a lower package, certain features of 360L will not be available
 - ◊ With the All Access Package, you can also enjoy your favorites anywhere life takes you, with the SiriusXM app, online and at home on compatible connected devices
 - ◊ May require additional optional equipment. Some features, including streaming content and listening recommendations require GM connected vehicle services

Package

- Convenience and Driver Confidence Package
 - ◊ Chevrolet Infotainment 3 Plus system with 8" diagonal color HD touchscreen on LT Cloth and LT Leather models
 - ◊ Chevrolet Infotainment 3 Plus system with connected Navigation and 8"

- Heated power outside mirrors with integrated turn signal indicators
 - ◊ Both mirrors are heated and are activated when the rear defogger is engaged, helping to clear them of ice, snow and frost to help improve visibility
 - ◊ Power adjustments allow you to move both side mirrors with the touch of a button
 - ◊ Manual-folding feature lets you fold the mirrors in
 - ◊ Integrated turn signal indicators help communicate your intention to change lanes
- Black beltline moldings
- Black rocker moldings
- Roof-mounted side rails (RS-specific)
 - ◊ Enhances the appearance of your vehicle
 - ◊ With the available cross rails, allows you to secure cargo directly to the top of your vehicle
 - ◊ Black
- LED taillamps
 - ◊ Adds brightness in low-light conditions
- 18" compact spare tire
- 20" all-season blackwall tires
 - ◊ P255/55R20
 - ◊ May require additional optional equipment
- 18" spare steel wheel
- 20" Dark Android painted aluminum wheels
 - ◊ Paired with all-season blackwall tires
- Rear intermittent wiper
 - ◊ Variable-speed
 - ◊ Washer to help keep rear window clear
- Front intermittent wipers
 - ◊ Variable-speed
 - ◊ Washers to keep the windshield clean

Safety-Exterior

- LED Daytime Running Lamps
 - ◊ Illuminate when your vehicle is running and headlamps are off
