### Sierra 2500 HD Standard Equipment\*\*

#### Processing-Other

- HANDLING CHARGE FROM FLINT ASM, TO GROUND EFFECTS LTD., FLINT, MI BACK TO FLINT ASM.
- Trailing Information Label
  - ◊ Provides max trailer ratings for tongue weight, conventional, gooseneck hitch and 5th wheel hitch

#### Interior

- Dual-zone automatic climate control
  - ◊ Automatically maintains the selected temperatures for both the driver and front passenger
  - ◊ Allows individual climate settings for both driver and front passenger
  - ◊ Driver and front passenger can choose a temperature up to 30 degrees difference
  - ◊ May require additional optional equipment
- Rear air vents
  - ◊ Provides cabin comfort for rear occupants
- Assist handles
  - ◊ Front A-pillar mounted for Driver and Passenger
  - ◊ Rear B-pillar mounted
- Front center console
  - ◊ Includes reconfigurable feature with cupholders, cell phone storage, power cord management and file holder capacity
  - ◊ May require additional optional equipment
- Compass
  - ◊ Located in instrument cluster
- Cruise control
  - ◊ Maintains a selected speed while driving
  - ◊ Automatically disengages when the vehicle's traction control system needs to limit wheelspin on slippery surfaces or when the StabiliTrak® stability control system detects an oncoming skid
  - ◊ Set and resume speed functions
  - ◊ Steering-wheel mounted controls to easily maintain and manage cruising speed
- Rear window defogger
  - ◊ Helps to keep your rear view clear of fog or frost

#### Package

- Driver Alert Package I
  - ◊ Lane Change Alert with Side Blind Zone Alert
  - ◊ Rear Cross Traffic Alert
  - ◊ Front and Rear Park Assist
  - ◊ Perimeter Lighting
  - ◊ May require additional optional equipment
- Driver Alert Package II
  - ◊ Lane Departure Warning
  - ◊ Automatic Emergency Braking
  - ◊ Forward Collision Alert
  - ◊ Following Distance Indicator
  - ◊ Safety Alert Seat
  - ◊ IntelliBeam®
  - ◊ May require additional optional equipment
- ProGrade Trailering System
  - ◊ Hitch Guidance with Hitch View
  - ◊ In-vehicle Trailering App
- Trailering Package
  - ◊ Trailer Hitch
  - ◊ Trailering hitch platform
  - ◊ Includes a 2.5" receiver hitch (with 2" insert), 4-pin and 7-pin connectors
  - ◊ 7-wire electrical harness and 7-pin sealed connector for connecting your trailer's lights and brakes to your vehicle
  - ◊ May require additional optional equipment
- X31 Off-Road Package
  - ◊ Off-Road suspension
  - ◊ Hill Descent Control
  - ◊ Skid plates
  - ◊ Twin-tube Rancho shocks

#### Safety-Interior

- 6 airbags
  - ◊ Dual-stage frontal airbags for driver and front outboard passenger

- ◊ Utilizes a warming grid to help remove fog or frost from the rear window
  - Power door locks
    - ◊ Programmable
    - ◊ Allows you to lock and unlock doors easily whether it's from the driver or front passenger seat or from outside using the key fob (when equipped)
  - 8" diagonal, digital Driver Information Center
    - ◊ Multiple page views may include fuel data, audio information, trailer settings, phone features, certain active safety features status (if equipped) and navigation route guidance
    - ◊ Includes driver personalization, warning messages and vehicle information
    - ◊ May require additional optional equipment
  - Driver memory
    - ◊ Recalls 2 driver presets for 10-way power seat and outside mirrors
    - ◊ May require additional optional equipment
  - Outside temperature display
    - ◊ Located in infotainment display
  - Carpeted floor covering
    - ◊ Color-keyed to match the interior
  - Front carpeted floor mats
    - ◊ Helps protect your interior from road debris and the elements
    - ◊ Color-keyed to match the interior
    - ◊ Denali models feature unique premium tufted carpeting
  - Rear carpeted floor mats
    - ◊ Helps protect your interior from road debris and the elements
    - ◊ Color-keyed to match the interior
    - ◊ Denali models feature unique premium tufted carpeting
  - GMC Connected Access capable
    - ◊ Subject to terms. See [onstar.com](https://onstar.com) or dealer for details.
    - ◊ May require additional optional equipment
  - Keyless Open and Start
    - ◊ With the Keyless Entry fob in your possession, conveniently locks and unlocks your car's doors without having to use the key fob
    - ◊ With the vehicle in Park or Neutral, press the brake pedal and then press the engine start/stop button to start the engine; the green indicator on the button will illuminate
    - ◊ Shift to Park and press the engine start/stop button to turn off the engine
    - ◊ May require additional optional equipment
  - Inside rearview auto-dimming mirror
    - ◊ Automatically dims the inside rearview mirror when it senses bright light from behind
    - ◊ When headlamp glare is no longer detected, the mirror returns to its normal state
  - 120-volt box-mounted power outlet
    - ◊ 3-prong auxiliary household-style outlet
    - ◊ Located in the pickup bed
    - ◊ May require additional optional equipment
  - 12-volt auxiliary front power outlet
  - May require additional optional equipment
  - 120-volt power outlet
  - 3-prong auxiliary household-style outlet
  - Located on the instrument panel
  - Makes it convenient for powering laptops, phone chargers and other electronic devices
  - May require additional optional equipment
  - 12-volt auxiliary rear power outlet
  - May require additional optional equipment
  - Rear Seat Reminder
    - ◊ Helps to remind the driver to check the back seat(s) before leaving the vehicle
    - ◊ Activates when rear doors are opened and closed up to 10 minutes before or anytime while your vehicle is on
    - ◊ Under certain conditions, once the vehicle is switched off, designed to sound 5 audible chimes and display a visual message within the Driver Information Center
    - ◊ Activates only once each time the vehicle is turned on and off, and would require re-activation on a second trip
  - Remote Start
    - ◊ Start your vehicle remotely and step into a comfortably warmed or cooled vehicle, depending on the weather and your preset preferences
    - ◊ Locks doors and turns on parking lamps while the engine is running
    - ◊ Activates the climate control system
  - 10-way power driver seat with power lumbar
    - ◊ Moves the seat forward and back, and up and down
    - ◊ Tilt the seat cushion and seatbacks
  - 10-way power front passenger seat
    - ◊ Forward and back
    - ◊ Up and down
    - ◊ Tilt seat cushion back and upright
    - ◊ Recline seatback up and down
    - ◊ Includes 2-way power lumbar
  - Seat trim, Forge perforated leather-appointed
  - Up-level rear seat with storage package
  - Full-length bench seat
  - Seatback storage on left and right side
  - Center fold out armrest with 2 cupholders
  - Underseat storage (full cab width)
  - Heated driver and front outboard passenger seats
    - ◊ Separate buttons on the climate control panel allow you to choose from 3 levels of warmth
    - ◊ At the touch of a button you can warm the cushions and seatbacks with multilevel temperature control
    - ◊ Individually controlled
    - ◊ Seats can be programmed to automatically warm up when it's cold out
    - ◊ May require additional optional equipment
  - Front bucket seats
    - ◊ May require additional optional equipment
  - Heated rear outboard seats
    - ◊ At the touch of a button you can warm the cushions
    - ◊ Provide comfort in cold weather for passengers in the rear outboard seating positions
    - ◊ Passengers have their own controls to set the temperature
    - ◊ May require additional optional equipment
  - Ventilated driver and front passenger seats
    - ◊ Separate buttons on the climate control panel allow you to choose from 3
  - Seat-mounted side-impact airbags for driver and front outboard passenger
    - ◊ Head-curtain airbags for outboard seating positions
    - ◊ Includes front outboard Passenger Sensing System for frontal outboard passenger airbag and illuminates a status light that indicates whether the airbag is on or off
  - Following Distance Indicator
    - ◊ Can provide you with the following gap time (or headway) to a moving vehicle you are detected to be following to help you know if you are following much too closely
    - ◊ May require additional optional equipment
  - Forward Collision Alert
    - ◊ Can alert you when it detects that a front-end collision is imminent with a vehicle that you are following
    - ◊ It also can alert you if you are following a detected vehicle much too closely
    - ◊ May require additional optional equipment
  - Front and Rear Park Assist
    - ◊ Can provide distance alerts to nearby detected objects to help you park and avoid objects at low speeds
    - ◊ May require additional optional equipment
  - HD Rear Vision Camera
    - ◊ When in Reverse at low speeds, provides you a high resolution view of the scene directly behind the vehicle on the Infotainment screen to help you park and avoid nearby objects
    - ◊ Dynamic guidelines laid over the display image assist in parking maneuvers by showing the vehicle's path
    - ◊ Tailgate must be in the raised position for the Rear Vision Camera to operate properly
    - ◊ May require additional optional equipment
  - Hitch Guidance
    - ◊ Uses the Rear Vision Camera display to provide you with a guideline to help align your vehicle with a trailer
    - ◊ Provides a camera view to briefly check the trailer when driving
  - Hitch Guidance with Hitch View
    - ◊ Uses the Rear Vision Camera display to provide you with a guideline to help align your vehicle with a trailer
    - ◊ Additional camera zoomed-in view
    - ◊ When Hitch View is in use, automatically applies parking brake when shifting from Reverse to Park
    - ◊ Also provides a camera view to briefly check the trailer when driving
    - ◊ May require additional optional equipment
  - Lane Change Alert with Side Blind Zone Alert
    - ◊ Can help you avoid lane change crashes by providing side-mirror visual alerts when a moving vehicle is detected rapidly approaching or is in a side blind zone
    - ◊ May require additional optional equipment
  - Lane Departure Warning
    - ◊ Can provide alerts to help you avoid crashes due to unintentionally drifting out of your lane when your turn signal is not activated
    - ◊ May require additional optional equipment
  - OnStar® & GMC Connected Services capable
    - ◊ Terms and limitations apply. See [onstar.com](https://onstar.com) or dealer for details.
  - Rear Cross Traffic Alert
    - ◊ When in Reverse, can alert you to detected left- or right-cross traffic behind you (e.g., when backing out of a crowded parking space or driveway with side obstructions)
    - ◊ Displays warning triangles with left/right indicator arrows in the Rear Vision Camera screen
    - ◊ System issues audible beeps or directional pulses if equipped with the Safety Alert Seat
    - ◊ May require additional optional equipment
  - Safety Alert Seat
    - ◊ Provides you the option of getting driver seat-bottom pulses instead of beeps for crash avoidance alerts
    - ◊ May require additional optional equipment
  - Teen Driver
    - ◊ This configurable feature lets you activate customizable vehicle settings associated with a key fob to help encourage better driving behavior
    - ◊ It can limit certain vehicle features, and automatically turns on certain safety systems if vehicle is equipped
    - ◊ An in-vehicle report card gives you information on driving habits and helps you to continue to coach your new driver
  - Tire Pressure Monitoring System
    - ◊ Monitors the pressure in each tire and alerts you if there is a low-pressure condition in one or more of the tires
    - ◊ Includes Tire Fill Alert
- ### Safety-Mechanical
- Automatic Emergency Braking
    - ◊ When traveling at speeds less than 50 MPH, the system can alert you if it detects that a front-end collision situation is imminent with a vehicle ahead you are following
    - ◊ It can also help reduce the collision's severity by automatically applying hard, emergency braking if you have not already or by enhancing driver hard braking
    - ◊ The system may even help avoid the collision at very low speeds
    - ◊ May require additional optional equipment
  - StabiliTrak, electronic stability control system with traction control
    - ◊ Automatically helps enhance control, particularly during emergency maneuvers, by adjusting the brakes and engine torque to help you stay on your intended path
    - ◊ Activates when vehicle sensors detect a difference between the driver's intended path and the direction the vehicle is actually travelling
    - ◊ Includes Traction Control that detects wheel slippage and applies brake pressure and/or reduces engine power to help the driver maintain control when accelerating on wet or snow-covered roads
    - ◊ Includes Brake Assist which detects rapid brake pedal applications due to emergency braking situations and provides additional braking via the Antilock Brake System (ABS) module
    - ◊ Includes Trailer Sway Control
    - ◊ Hill Start Assist
- ### Exterior
- 6" Chrome rectangular assist steps (factory installed)
    - ◊ Steps make it easier to get in and out of your vehicle
    - ◊ Textured step pads help provide secure footing
    - ◊ May require additional optional equipment
  - Spray-on bedliner

- levels of fan circulation
  - Individually controlled
  - Cooling feature includes both seatbacks and cushions
  - Includes heated front seating
  - May require additional optional equipment
- Steering column lock control
  - Helps prevent theft by allowing the steering wheel to operate only with the proper key fob
  - May require additional optional equipment
- Manual tilt and telescoping steering column
  - Allows the driver to adjust the steering wheel up or down, and the steering column forward or back
  - May require additional optional equipment
- Steering-wheel mounted controls
  - Allow the driver to easily operate the audio system and phone interface controls
  - May require additional optional equipment
- Heated steering wheel
  - With the press of a button the steering wheel quickly heats up to provide additional comfort on a cold day
  - May require additional optional equipment
- Leather-wrapped steering wheel
  - May require additional optional equipment
  - Theft-deterrent unauthorized entry system
  - Sounds the horn and flashes the turn signals when someone attempts to open the vehicle without the proper key or remote transmitter
  - Helps deter unauthorized entry, helping to protect your vehicle
  - May require additional optional equipment
- USB Ports (Inside Console with bucket seats), 2 also includes 1 SD card reader and auxiliary jack
  - USB ports
  - 2 located on instrument panel
- USB ports
  - Second row includes 2 USB charging-only ports
- Universal Home Remote
  - 3-channel programmable
  - Conveniently activate compatible devices such as garage door openers, security systems, and home automation devices from inside your vehicle
  - May require additional optional equipment
- Power windows with driver and front passenger express-up/down
  - Quickly raises the window or lowers it with the touch of a button
  - If obstruction is detected, the anti-pinch feature will auto-reverse
- Power sliding rear window with rear defogger
  - Helps to keep your rear view clear of fog or frost
  - Utilizes a warming grid to remove fog or frost from the rear window
  - The window switch is conveniently located in the overhead console for easy 1-touch operation
  - May require additional optional equipment
- Power windows with driver express-up/down
  - Quickly raises the window or lowers it with the touch of a button
  - If an obstruction is detected, the anti-pinch feature will auto-reverse
- Power windows with rear express-down
  - May require additional optional equipment
  - Wireless Charging
  - Uses induction technology for portable electronic devices
  - Convenient charging location on the top of the center console
  - Device may require optional case for phones that are compatible
  - Customers can charge their smartphones while they drive without connecting to any cables
  - May require additional optional equipment
- ### Mechanical
- High-capacity air filter
    - Thick construction helps to trap more dirt before it can enter the air intake
    - May require additional optional equipment
  - Air filtration monitoring
    - Alerts the driver when the engine air filter needs replacement
  - 170-amp alternator
  - May require additional optional equipment
- Heavy-duty 720 cold-cranking amps battery
  - 80 Amp-hr
  - Maintenance-free with rundown protection and retained accessory power
  - May require additional optional equipment
- Brake pad wear indicator
  - 4-wheel antilock disc brakes
  - Help reduce wheel lockup and maintain steering control during hard braking on most slippery surfaces
  - DuraLife™ brake rotors feature a hardened surface to reduce corrosion and provide quieter braking with less vibration. DuraLife™ rotors are hardened and strengthened during the manufacturing process
  - Brake system features a corrosion-fighting process called Ferritic Nitro-Carburizing (FNC) which can double rotor life expectancy and reduce or minimize rust over non-FNC coated rotors
- Capless fuel fill
  - Prevents paint scratches that can result from a tethered fuel cap
  - Creates a tight seal around the fuel-pump nozzle when the nozzle is fully inserted
  - Requires gasoline engine
- External auxiliary transmission oil cooler
  - Heavy-duty air-to-oil cooler
  - Helps provides optimal transmission performance even when operating under a heavy load or towing a trailer
  - May require additional optional equipment
- External engine oil cooler
  - Heavy-duty air-to-oil cooler
  - Helps extend engine oil life under heavy loads

- Provides a Black, textured, non-skid surface that helps protect the bed and minimizes cargo shifting
  - Covers the entire bed surface below side rails, front box top rail, gauge hole plugs and tie-downs
    - Chemically bonded, the sprayed-on liner permanently bonds to the truck bed, providing a watertight seal
    - Includes logo
    - Does not include spray-on liner on tailgate due to Black composite inner panel
  - Side BedStep
    - Black textured step pads help provide secure footing
    - Integrated on forward portion of outer bed on driver and passenger side to provide ease of access to forward portion of the bed
  - Body-color front bumper
  - Body-color rear bumper
  - Cargo tie-downs
    - 12-fixed rated at 500 lbs. per corner
  - CornerStep rear bumper
    - Helps make it easier to get into and out of the pickup bed
    - Located at each end of the rear bumper
    - Textured step pads to help provide secure footing
  - Chrome door handles
  - LED fog lamps
    - Help minimize glare in adverse driving conditions
  - Deep-tinted glass
    - Provides added protection from sun and glare
  - Grille (Signature Denali grille with high gloss Black mesh and Chrome inserts.)
  - LED reflector (high intensity) headlamps with LED turn signals and LED signature Daytime Running Lamps
    - C-shaped LED headlamps with signature lighting and innovative light blade technology
  - IntelliBeam
    - Automatically turns on and off your vehicle's high beam headlamps according to surrounding traffic conditions
    - The automatic high beams will stay on until a sensor detects an approaching vehicle's headlamps or preceding vehicle's taillamps
    - May require additional optional equipment
  - Cargo bed LED lighting
    - Provides light to find cargo in the bed
    - Rear pillar lamps
    - May require additional optional equipment
  - Polished exhaust tip
    - Requires gasoline engine
  - Smoked Amber LED roof marker lamps
    - Roof-mounted lamps near the front of the cab
  - Cab-mounted cargo area lamps
    - Activated by switch located on center switch bank
    - Illuminates the cargo bed area
  - Chrome mirror caps
  - Outside power-adjustable vertical trailering mirrors with power folding/extending auto-dimming driver and passenger upper glass
    - Chrome mirror caps
    - Power folding/extending
    - Lower convex mirrors
    - Heated upper glass
    - Integrated turn signal indicators
    - Puddle lamps
    - Perimeter lighting
    - Auxiliary lighting
    - Extends 3.31-inches
    - AT4 features molded in color Black mirror caps
  - Stainless-steel beltline moldings
  - May require additional optional equipment
- Tailgate and bed rail protection caps
  - GMC MultiPro Tailgate
  - Six function tailgate design to help improve loading, unloading and access the cargo box
  - Hitch area lighting
  - Power lock and release
  - May require additional optional equipment
- Tailgate with EZ Lift assist, power lock & release
  - Hitch area lighting
  - May require additional optional equipment
- LED signature taillamps
  - C-shaped LED taillamps with LED stop and reverse light
  - Brighter and lasts longer than traditional incandescent bulbs
- Spare tire carrier lock
  - Helps keep spare tire secure
  - Utilizes the same key as the door and ignition
- 18" LT275/70R18 all-terrain, blackwall spare tire
  - May require additional optional equipment
  - 20" LT275/65R20 all-terrain, blackwall tires
  - Rear wheelhouse liners
  - Help protect your truck's rear wheelhouse area from damage caused by dirt, rocks, mud, road salt and the weather
  - May require additional optional equipment
- 20" multi-dimensional polished aluminum wheels
- ### Safety-Exterior
- LED Daytime Running Lamps
    - Daytime Running Lamps automatically illuminate signature lighting

### Warranty

- Basic: { term 3 Years/36,000 Miles }
- Drivetrain: { term 5 Years/60,000 Miles } { term HD Duramax Diesel: 5 Years/100,000 Miles; Qualified Fleet Purchases: 5 Years/100,000 Miles }
- Corrosion: { term 3 Years/36,000 Miles } { term Rust-Through } { term 6 Years/100,000 Miles }
- Roadside Assistance: { term 5 Years/60,000 Miles } { term HD Duramax Diesel: 5 Years/100,000 Miles; Qualified Fleet Purchases: 5 Years/100,000 Miles }
- Maintenance: { term 1 Year/1 Visit }

- Automatic locking rear differential
- When the differential senses a significant difference in wheel speed, it locks to turn both rear wheels in unison for added traction
- The Eaton® Locker senses a difference in wheel speed of approximately 100 rpm
- May require additional optional equipment
- 6.6L V8 Direct Injection with Variable Valve Timing Gas engine
- 401 hp [299 kW] @ 5200 rpm
- 464 lb-ft of torque [629 N-m] @ 4000 rpm
- 3.73 rear axle ratio
- Paired with a 6-speed automatic transmission
- Capless fuel fill
- Four wheel drive
- Fully boxed frame
- Hydroformed front section
- High-strength steel
- 10,650 lbs. GVWR
- When properly equipped; includes weight of vehicle, passengers, cargo and equipment
- Hill Descent Control
- Uses antilock braking to help provide a smooth, controlled descent
- Helps driver maintain control of the vehicle without depressing the brake pedal
- Activates by pushing a button below the instrument panel
- May require additional optional equipment
- In-vehicle Trailering App
- Checklist
- Trailer light sequencing
- Trailer maintenance reminders
- Trailer security alerts
- Trailer mileage
- Tow/haul reminder
- Trailer electrical diagnostics
- Includes trailer tire pressure monitoring alert ONLY when (PTT) trailer tire pressure monitor system is factory ordered and sensors are installed
- May require additional optional equipment
- Chrome vertical recovery hooks
- Two front frame-mounted
- Pickup bed
- Roll-formed high-strength steel
- 3.73 rear axle ratio
- Requires a gas engine
- Skid plates
- Help protect the front underbody, oil pan, differential case and transfer case
- May require additional optional equipment
- Digital Variable Steering Assist
- This system automatically adjusts steering based on speed, road conditions, and other inputs to help reduce driver fatigue
- Off-Road suspension
- May require additional optional equipment
- Integrated trailer brake controller
- Integrated with the antilock brake system (ABS)
- Helps provide measured brake force signaling to electric-controlled trailer brake systems
- Trailer gain and output are displayed in the Driver Information Center
- Autotrac® 2-speed transfer case with push button controls
- 4-button control 2WD, Auto, 4WD, 4WD LO
- 2WD High for most on-road and highway situations
- 4WD High for snowy or wet roads when added traction is needed
- 4WD Low for deep sand, mud or snow to provide maximum torque to all 4 wheels
- When in AUTO mode, remains in 2WD mode until the system detects wheel slippage
  - Automatically engages 4WD until traction is regained
- Neutral
  - ONLY used for towing vehicle (Dinghy tow & Dolly tow capability)- allows vehicle to roll freely
- May require additional optional equipment
- 6-speed, heavy-duty, electronically controlled automatic transmission
- Overdrive gear for smooth, efficient operation
- Tow/Haul mode and Auto Grade Braking that reduce the amount of conventional braking needed while towing or traveling downhill to help reduce brake wear

## Entertainment

- 4G LTE Wi-Fi® hotspot capable
  - Terms and limitations apply. See [onstar.com](https://onstar.com) or dealer for details.
  - May require additional optional equipment
- 8" diagonal Premium GMC Infotainment System with Navigation
  - Multi-touch display, AM/FM/SiriusXM (trial subscription), stereo and includes Navigation
  - HD Radio capability
  - Bluetooth® streaming audio for music and select phones
  - Apple CarPlay™ capability for compatible phones
  - Android Auto™ capability for compatible phones
  - Use, control and manage select smartphone apps through the Infotainment system
  - Voice-activated technology for phone
  - USB port(s) to play stored audio files through your vehicle's audio system
  - With greater memory
  - May require additional optional equipment
- Bluetooth®
  - Pair your compatible mobile phone to your vehicle's infotainment system
  - Place and receive hands-free phone calls
  - Store your phone's contact list in the system to place an outgoing call quickly using the touch-screen display or voice command system
  - With streaming audio capability, you can listen to files stored on your phone or Bluetooth digital media device

- Bose® Premium Sound System
  - 7-speakers with Richbass® woofer
  - Bose® is renowned for expert sound engineering and high-quality audio and with premium speakers positioned throughout the cabin, you'll get rich, concert-like sound
  - May require additional optional equipment
- HD Radio
  - Provides consumers with additional channels known as HD2, HD3 and HD4
  - Transmits Program Service Data, such as song titles and artist information
- SiriusXM® with 360L trial subscription
  - Enjoy a 3-month trial subscription to the SiriusXM All Access package and enjoy the full SiriusXM with 360L experience
  - This vehicle is equipped with SiriusXM with 360L— a greater variety of SiriusXM content, a more personalized experience and easier navigation. For the full SiriusXM with 360L experience, a SiriusXM All Access Package is required. If you subscribe to a lower package, certain features of 360L will not be available
  - With the All Access Package, you can also enjoy your favorites anywhere life takes you, with the SiriusXM app, online and at home on compatible connected devices
  - May require additional optional equipment. Some features, including streaming content and listening recommendations require GM connected vehicle services
  - May require additional optional equipment

While every effort is made to assure this information to be accurate, variations in the manufacturing process, dealer installed accessories and mileage figures may cause this window sticker display to vary from that on the vehicle. Check with your dealer for complete information.
