## Terrain Standard Equipment\*\*

### Interior

- Dual-zone automatic climate control
  - Automatically maintains the selected temperatures for both the driver and front passenger
  - Sensors strategically located around the vehicle constantly monitor the temperature, including solar heating from the windows
  - May require additional optional equipment
- Rear air vents
  - Provides cabin comfort for rear occupants
- Assist handle, driver
- Assist handle, front passenger
- Assist handles, rear outboard
- Compass display
  - Located in the Driver Information Center
- Cruise control
  - Maintains a selected speed while driving
  - Set and resume speed functions
  - Steering-wheel mounted controls to easily maintain and manage cruising speed
- 4.2" diagonal multi-color driver information screen
  - Includes enhanced capability with audio, phone and navigation on SLT and Denali and on SLE when Infotainment Package I is ordered
- Power door locks
  - Programmable
  - Allows you to lock and unlock doors easily whether it's from the driver or front passenger seat, from outside using the key fob or exterior door handle buttons
  - Lockout protection helps you avoid locking keys in the vehicle
- Driver Information Center
  - Includes driver personalization, warning messages and vehicle information
  - Average vehicle speed and fuel economy
  - Fuel range
  - Trip odometer
  - Tire pressure and oil life
  - Speedometer, tachometer, engine temperature, fuel level, mileage and trip displays
- Front carpeted floor mats
  - Helps protect your interior from road debris and the elements
  - Engineered to fit your vehicle
- Rear carpeted floor mats
  - Helps protect your interior from road debris and the elements
  - Engineered to fit your vehicle
- GMC Connected Access capable
  - Subject to terms. See [onstar.com](#) or dealer for details.
- 2-way adjustable front head restraints
  - Easily adjust up or down, giving you the comfort you expect
- Keyless Open
  - With the key fob in your possession, locks and unlocks your vehicle's doors without having to use the key fob, increasing convenience
  - Lockout protection helps you avoid locking keys in the vehicle

### Safety-Interior

- Airbag system
  - Frontal airbags for driver and front passenger
  - Seat-mounted side-impact airbags for driver and front passenger
  - Head-curtain airbags for front and rear outboard seating positions
  - Includes front outboard Passenger Sensing System for frontal passenger airbag and illuminates a status light that indicates whether the airbag is on or off
- Following Distance Indicator
  - Can provide you with the following gap time (or headway) to a moving vehicle you are detected to be following to help you know if you are following much too closely
- Forward Collision Alert
  - Can alert you when it detects that a front-end collision is imminent with a vehicle that you are following
  - It also can alert you if you are following a detected vehicle much too closely
- HD Rear Vision Camera
  - When in Reverse at low speeds, provides you a high resolution view of the scene directly behind the vehicle on the Infotainment screen to help you park and avoid nearby objects
  - May require additional optional equipment
- Horn, dual-note
- Lane Keep Assist with Lane Departure Warning
  - Can help you avoid crashes due to unintentionally drifting out of your lane by providing gentle steering wheel turns when the system detects you are drifting out of your lane with no turn signal or steering activity
  - Can also provide Lane Departure Warning alerts when a lane marker is crossed
- OnStar® & GMC Connected Services capable
  - Terms and limitations apply. See [onstar.com](#) or dealer for details.
- Passenger Sensing System sensor indicator inflatable restraint, front passenger/child/presence detector (Always use seat belts and the correct child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. See the Owner's Manual for more information.)
- Teen Driver
  - This configurable feature lets you activate customizable vehicle settings associated with a key fob to help encourage better driving behavior
  - It can limit certain vehicle features, and automatically turns on certain safety systems if vehicle is equipped
  - An in-vehicle report card gives you information on driving habits and helps you to continue to coach your new driver
- Tire Pressure Monitoring System
  - Monitors the pressure in each tire and alerts you if there is a low-pressure condition in one or more of the tires
  - Properly inflate tires to help optimize your vehicle's ride, handling and efficiency
  - Includes Tire Fill Alert

- Keep your keys in your purse or pocket to open your vehicle
- Keyless Start
  - Uses an integrated key fob sensor instead of a traditional key
  - Keep your keys in your purse or pocket to start your vehicle
  - With the vehicle in Park or Neutral, press the brake pedal and then press the engine start/stop button to start the engine; the green indicator on the button will illuminate
  - Shift to Park and press the engine start/stop button to turn off the engine
- Ambient interior lighting
  - Includes accent lighting under door armrest, floor console and instrument panel
- Driver seatback map pocket
- Front passenger seatback map pocket
- Inside rearview auto-dimming mirror
  - Automatically dims the inside rearview mirror when it senses bright light from behind
  - When headlamp glare is no longer detected, the mirror returns to its normal state
- 110-volt power outlet
  - Can be used to plug in electrical equipment, such as a cell phone or a portable device
  - Located on the rear of the center console
  - May require additional optional equipment
- 12-volt auxiliary cargo area power outlet
  - Located in the rear cargo area
- 12-volt auxiliary front power outlet
  - Located in front storage bin
- Rear Seat Reminder
  - Helps to remind the driver to check the back seat(s) before leaving the vehicle
  - Activates when rear doors are opened and closed up to 10 minutes before or anytime while your vehicle is on
  - Under certain conditions, once the vehicle is switched off, designed to sound 5 audible chimes and display a visual message within the Driver Information Center
  - Activates only once each time the vehicle is turned on and off, and would require re-activation on a second trip
- Remote Start
  - Start your vehicle remotely and step into a comfortably warmed or cooled vehicle, depending on the weather and your preset preferences
  - If equipped, the heated seats may also be activated, depending on certain weather conditions
  - May require additional optional equipment
- Remote panic alarm
  - Use to assist in an emergency situation or help in locating your vehicle
- Rear seat release levers
  - Second row manual release levers located in the cargo area
- Seat trim, perforated leather-appointed
- 8-way power driver seat
  - Seat position forward and back
  - Seat position up and down
  - Tilt seat cushion up and down
  - Recline seatback forward and back
  - Also includes 2-way power lumbar
  - May require additional optional equipment
- 4-way manual front passenger seat with manual recline
  - Can be positioned forward or back and up or down
  - Recline seatback forward and back
- Power driver seat lumbar control
  - Front and back adjustment supports your back and creates a more comfortable driving experience
  - May require additional optional equipment
- Fold-flat rear seat with 60/40 split
  - Convenient levers in the rear seat allow for the seat to be folded flat
  - Rear seats can be folded individually for even greater cargo carrying options
  - Includes a center armrest and recline feature
- Flat-folding front passenger seatback
  - Folds flat for a variety of passenger and cargo carrying configurations
  - Convenient lever allows the seat to be folded flat
  - When both the passenger seat and rear seats are folded, allows for cargo items up to 8' in length
  - Features a protective seatback and sturdy map pockets
- 5-passenger seating
- Front bucket seats
- Heated driver and front passenger seats
  - Separate buttons on the climate control panel allow you to choose from 3 levels of warmth
  - At the touch of a button you can warm the cushions and seatbacks with multilevel temperature control
  - Individually controlled
  - May require additional optional equipment
- Interior humidity sensor
  - Continuously reads the temperature and humidity inside the vehicle
  - Automatically adjusts airflow to match the individual climate settings for both the driver and front passenger
- Speedometer, miles/kilometers
- Steering-wheel mounted controls
  - Allow the driver to easily operate the audio system, phone interface, cruise control and Driver Information Center controls
- Leather-wrapped steering wheel
- Overhead sunglass storage
- Theft-deterrent unauthorized entry system
  - Sounds the horn and flashes the turn signals when someone attempts to open the vehicle without the proper key or remote transmitter
  - Helps deter unauthorized entry, helping to protect your vehicle
- Charging-only USB ports
  - 2 USB ports located in the rear of the center console
- Front USB data ports and auxiliary input jack with SD Card Reader
  - Includes 2 USB ports (one type-A and one type-C), one SD Card slot and an auxiliary input jack located in the front storage bin
  - May require additional optional equipment
- USB data ports
  - Includes 2 type-A USB ports located in the center console
  - May require additional optional equipment
- Power windows with driver express-up/down
  - Quickly raises the window or lowers it with the touch of a button

## Safety-Mechanical

- Automatic Emergency Braking
  - When traveling at speeds less than 50 MPH, the system can alert you if it detects that a front-end collision situation is imminent with a vehicle ahead you are following
  - It can also help reduce the collision's severity by automatically applying hard, emergency braking if you have not already or by enhancing driver hard braking
  - The system may even help avoid the collision at very low speeds
- Front Pedestrian Braking
  - At speeds below 50 MPH, can alert you when a collision is detected to be imminent with a pedestrian directly ahead
  - Can also help reduce the collision's severity or avoid the collision by automatically applying hard, emergency braking if you have not already, or by enhancing driver hard braking
  - Performance is limited at night
- Hill Descent Control
  - Uses antilock braking to help provide a smooth, controlled descent
  - Helps driver maintain control of the vehicle without depressing the brake pedal
  - Activates by pushing a button below the instrument panel
- StabiliTrak, electronic stability control system with traction control
  - Automatically helps enhance control, particularly during emergency maneuvers, by adjusting the brakes and engine torque to help you stay on your intended path
  - Activates when vehicle sensors detect a difference between the driver's intended path and the direction the vehicle is actually travelling
  - Includes Traction Control that detects wheel slippage and applies brake pressure and/or reduces engine power to help the driver maintain control when accelerating on wet or snow-covered roads

## Exterior

- Active Noise Cancellation
  - This technology blocks and absorbs sound, as well as dampens and eliminates vibrations, helping to leave outside noise where it belongs
  - In-cabin microphones distinguish unwanted powertrain noise and cancels it to help create a quiet interior cabin
- Body-color door handles
  - Includes Keyless Open access from any door
- Fog lamps
  - Help minimize glare in adverse driving conditions
- Acoustic laminated windshield
  - Helps keep out traffic and road noises
  - Dampens sounds from the outside to help give you a quiet environment
- Deep-tinted rear glass
  - Provides added protection from sun and glare
  - Tint on rear side windows and rear liftgate glass
- Automatic on/off headlamps
  - Setting the control to "Auto" turns on the headlamps to normal low-beam brightness when sensors detect a certain level of darkness, along with the taillamps, license plate lamp and other exterior lights
  - When you shut off the ignition and exit the car, the lights remain lit as you walk away
  - Headlamps will turn off automatically, after a set amount of time, to help save battery life
- Automatic delay headlamps
  - Set the exterior lamp control to turn on your headlamps automatically at dusk
  - When you park and exit the vehicle, the automatic delay feature allows the headlamps to remain on to light your way
  - Headlamps will turn off automatically after a set amount of time to help save battery life
- High-Intensity Discharge (HID) headlamps
  - Provide a bright, intense beam of light to help illuminate road signs and highway
  - Help improve down-the-road visibility in low-light conditions
- Manual liftgate
  - Access your cargo area with ease
  - Fixed glass rear window on the liftgate
- Roof-mounted side rails
  - Enhances the appearance of your vehicle
  - With the available cross rails, allows you to secure cargo directly to the top of your vehicle
  - May require additional optional equipment
- Body-color mirror caps
- Heated power auto-dimming outside mirrors with integrated turn signal indicators
  - Both mirrors are heated and are activated when the rear defogger is engaged, helping to clear them of ice, snow and frost to help improve visibility
  - Power adjustments allow you to move both side mirrors with the touch of a button
  - Manual-folding feature lets you fold the mirrors in
  - Integrated turn signal indicators help communicate your intention to change lanes
  - The auto-dimming feature automatically adjusts the driver-side rearview mirror when it senses bright light from behind
- LED signature taillamps
  - Provides bright, long lasting clearly visible light
  - Help improve visibility in low-light conditions
- 16" compact spare tire
- 18" all-season blackwall tires
  - P225/60R18
- Trim, Black lower body
- 16" steel spare wheel
- 18" machined aluminum wheels with Dark Gray painted accents
  - Paired with all-season blackwall tires

## Safety-Exterior

- C-Shaped LED signature lighting
  - Daytime Running Lamps help make it easier for other drivers to see the front of your vehicle during the day
- IntelliBeam
  - Automatically turns on and off your vehicle's high beam headlights according to surrounding traffic conditions
  - The automatic high beams will stay on until a sensor detects an approaching vehicle's headlamps or preceding vehicle's taillamps

- If an obstruction is detected, the anti-pinch feature will auto-reverse
- Power windows with front passenger and rear express-down
  - Quickly lowers the window with the touch of a button
  - If an obstruction is detected, the anti-pinch feature will auto-reverse
- Windows, power with rear Express-Down

#### **Mechanical**

- Axle, 3.47 final drive ratio (Standard with (LYX) 1.5L Turbo 4-cylinder engine only.)
- Performance brake linings
  - Limit noise transmission to the cabin as well as to provide good dust performance
  - The FNC rotors are treated with a process that helps harden and strengthen the rotors and helps prevent corrosion to extend rotor life
- Electronic parking brake
  - Takes the place of the manual foot actuated parking brake
  - Activated by the simple touch of a switch and can be operated even when the ignition is turned off
  - Brake is automatically set if the system senses the vehicle is parked on a steep incline
- 4-wheel antilock disc brakes, 11.8" front and 11.3" rear rotor size
  - Help reduce wheel lockup and help maintain steering control during hard braking on most slippery surfaces
- Capless fuel fill
  - Helps keep your hands clean of dirt and fuel during fill ups
  - Prevents paint scratches that can result from a tethered fuel cap
  - Creates a tight seal around the fuel-pump nozzle when the nozzle is fully inserted
- All-wheel drive
  - Helps you stay in control in low-traction situations like rain, sleet and snow
  - The system constantly monitors all 4 of the vehicle's wheels and makes adjustments for maximum traction in a wide range of challenging driving conditions
- Driver Shift Control
- Electronic Precision Shift
  - An advanced button and switch based transmission interface that enables a spacious center console with side-by-side cup holders and pass-through storage below the center console
- Automatic Stop/Start
  - At complete stops, when drivers keep their foot on the brake pedal, and under certain conditions, the engine shuts off
  - When drivers remove their foot from the brake, the engine automatically restarts
  - Under certain circumstances, the engine will not shut off at a complete stop
- 1.5L Turbo 4-cylinder engine
  - Offers 170 hp and 203 lb-ft of torque
  - 4-cylinder dual overhead cam design with Direct-Injection and Variable Valve Timing (VVT)
  - Paired with a 9-speed automatic transmission
- Single-outlet exhaust
- Fuel, gasoline, E15
- Mechanical jack with tools
- MacPherson front suspension
  - Delivers a connected, smooth ride
- 4-link rear suspension
  - Helps minimize road irregularities, creating a smoother ride
- Trailering provisions, 1500 lbs. (680 kg)
- 9-speed automatic transmission
  - Electronically controlled transmission with overdrive and gear range select
  - Smooth, effortless automatic shifting

#### **Entertainment**

- 4G LTE Wi-Fi® hotspot capable
  - Terms and limitations apply. See [onstar.com](#) or dealer for details.
- Antenna, roof-mounted shark fin
- 6-speaker audio system
  - Speakers are positioned throughout the cabin for outstanding sound quality and an enjoyable listening experience
- 8" diagonal GMC Infotainment System
  - 8" diagonal high-resolution GMC Infotainment System with multi-touch display and AM/FM/SiriusXM radio
  - Bluetooth® streaming audio for music and select phones
  - Apple CarPlay™ capability for compatible phones
  - Android Auto™ capability for compatible phones
  - Customize and manage entertainment and vehicle feature settings through the 8" diagonal touch-screen display
  - Use, control and manage select smartphone apps through the Infotainment system
  - Voice-activated technology for phone
- Bluetooth®
  - Pair your compatible mobile phone to your vehicle's infotainment system
  - Place and receive hands-free phone calls
  - Store your phone's contact list in the system to place an outgoing call quickly using the touch-screen display or voice command system
  - With streaming audio capability, you can listen to files stored on your phone or Bluetooth digital media device
- SiriusXM Radio enjoy an All Access trial subscription with over 150 channels including commercial-free music, plus sports, news and entertainment. Plus listening on the SiriusXM app, online and at home on compatible connected devices is included, so you'll hear the best SiriusXM has to offer, anywhere life takes you. Welcome to the world of SiriusXM. (IMPORTANT: The SiriusXM radio trial package is not provided on vehicles that are ordered for Fleet Daily Rental ("FDR") use. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. See the SiriusXM Customer Agreement at [www.siriusxm.com](#) for complete terms and how to cancel. All fees, content, features, and availability are subject to change.)

#### **Package**

- GMC Pro Safety
  - Lane Keep Assist with Lane Departure Warning
  - Automatic Emergency Braking
  - Front Pedestrian Braking
  - Forward Collision Alert
  - Following Distance Indicator
  - IntelliBeam® headlamps

#### **Warranty**

- Basic: 3 Years/36,000 Miles
- Drivetrain: 5 Years/60,000 Miles Qualified Fleet Purchases: 5 Years/100,000 Miles
- Corrosion: 3 Years/36,000 Miles Rust-Through 6 Years/100,000 Miles
- Roadside Assistance: 5 Years/60,000 Miles Qualified Fleet Purchases: 5 Years/100,000 Miles
- Maintenance: 1 Year/1 Visit

While every effort is made to assure this information to be accurate, variations in the manufacturing process, dealer installed accessories and mileage figures may cause this window sticker display to vary from that on the vehicle. Check with your dealer for complete information.
