- Front bucket seats
- Heated driver and front passenger seats
  - Temperature control offers three levels of warmth, allowing you to heat the cushions and seatbacks at the touch of a button
  - May require additional optional equipment
- Sensor, air quality indicator
- Sensor, automatic air circulation/air quality
- Sensor, front passenger presence detector
- Speedometer, miles/kilometers
- Steering column, tilt and telescopic
- Heated steering wheel
  - With the press of a button the steering wheel quickly heats up to provide additional comfort on a cold day
  - Leather-wrapped with contrasting stitching
  - May require additional optional equipment
- Leather-wrapped steering wheel
  - Includes controls for audio, phone and cruise control
  - 3-spoke
- Window, power with driver Express-Up and Down
- Window, power with front passenger Express-Up and Down
- Windows, power, rear with Express-Down
- Windows, remote Express-Down, all windows

### Mechanical

- 2.0L Turbo ECOTEC 4-cylinder engine
  - 228 hp @ 5000 rpm
  - 258 lb-ft of torque @ 1500-4000 rpm
  - Engine Stop/Start capable, with deactivation switch that allows customers to choose whether or not they want to use the auto-stop function
- All-wheel drive (AWD models.)
- Axle, 3.47 final drive ratio
- Intelligent All-Wheel Drive with active twin clutch
  - To help maximize traction, available Intelligent All-Wheel Drive with active twin clutch sends power to the wheel(s) with the most grip in dry or slippery weather situations
- Brake lining, high-performance
- Brake, parking, electronic
- 4-wheel antilock disc brakes
  - Help reduce wheel lockup and maintain steering control during hard braking on most slippery surfaces
- Electronic Grade Braking
  - Helps the driver maintain a constant speed without having to ride the brakes while the vehicle is heading downhill
- Engine control stop/start with system override
- Engine control, stop/start system override
- Fuel, gasoline, E15
- GVWR, 5180 lbs (2350 kg) (AWD models.)
- Keyless start, push button
- Power steering
  - Electric, non-variable ratio
- MacPherson strut front suspension
- 5-link rear suspension
- Road emergency tool kit
  - Helps keep you prepared for the unexpected
- Trailing provisions
  - Includes connector for accessory wiring harness
- 9-speed automatic transmission
  - Electronically controlled transmission with overdrive and Driver Shift Control

### Entertainment

- 4G LTE Wi-Fi<sup>®</sup> hotspot capable
  - Terms and limitations apply. See [onstar.com](http://onstar.com) or dealer for details.
- 7-speaker enhanced audio system with amplifier
  - Speakers are positioned throughout the cabin for outstanding sound quality and an enjoyable listening experience

- Wireless Apple CarPlay/Wireless Android Auto capability for compatible phones
  - Can use Apple CarPlay and Android Auto wirelessly

### Package

- Buick Driver Confidence Plus
  - Lane Keep Assist with Lane Departure Warning
  - Lane Change Alert with Side Blind Zone Alert
  - Following Distance Indicator

- This configurable feature lets you activate customizable vehicle settings associated with a key fob to help encourage better driving behavior
- It can limit certain vehicle features, and automatically turns on certain safety systems if vehicle is equipped
- An in-vehicle report card gives you information on driving habits and helps you to continue to coach your new driver
- Tire Pressure Monitoring System with Tire Fill Alert
  - Monitors the pressure in each tire and alerts you if there is a low-pressure condition in one or more of the tires
  - Properly inflate tires to help optimize your vehicle's ride, handling and efficiency

### Exterior

- Door handles, body-color with chrome strip
- Glass, deep-tinted
- Glass, laminated front doors
- Automatic on/off LED headlamps with delay feature
  - Setting the control to "Auto" turns on the headlamps to normal low-beam brightness, along with the taillamps, license plate lamp and other exterior lights
  - When you park and exit the vehicle, the automatic delay feature allows the headlamps to remain on to light your way
  - Once the ignition is turned off, headlamps will turn off automatically, after a set amount of time, to help save battery life
- Headlamps, LED
- Headlamps, automatic delay
- IntelliBeam
  - Can automatically turn the vehicle's high-beam headlamps on and off according to surrounding traffic conditions
- Lamp marker, reflex, front side
- Front license plate bracket
  - Front bracket is included if displaying a front license plate is required in your state
- Hands-Free power programmable liftgate with LED logo projection
  - Simply kick your foot below the left side of the license plate with the key fob in your possession, and the liftgate will open
  - May require additional optional equipment
- Heated power outside mirrors with memory settings
  - Heated feature helps clear away ice and fog
  - Power adjustments allow you to move both side mirrors with the touch of a button
  - Body-color
  - Driver side auto-dimming
  - Light sensitive
  - Manual folding
  - Remote control
  - Includes memory settings for outside mirrors
- Moldings, bodyside bright, window surround
- Silver roof rails
  - Adds functionality and style
- Tail lamps, LED
- Tire, spare T145/70R17 SL blackwall
- Tires, P235/60R18 all-season (Requires (REP) 18" machined aluminum wheels with Charcoal Metallic finish.) (STD)
- 17" spare wheel
- 18" machined aluminum wheels with Charcoal Metallic finish
  - Paired with all-season blackwall tires
- Wiper, rear intermittent

### Safety-Mechanical

- Automatic Emergency Braking
  - Works with Forward Collision Alert to help you avoid or reduce the severity of a front-end collision with a detected vehicle you're following
  - Camera technology is used to automatically provide hard emergency braking or enhance the driver's hard braking
  - This feature works at speeds below 50 mph
- Front Pedestrian Braking
  - Can help you avoid or reduce the severity of a front-end collision with a pedestrian it detects directly ahead of you
  - It provides pedestrian alerts and can even automatically provide hard emergency braking or enhance the driver's hard braking
  - The system works at speeds below 50 mph during the daytime
  - It has limited nighttime and low visibility performance
- Hill Descent Control
  - Uses antilock braking to help provide a smooth, controlled descent
  - Helps driver maintain control of the vehicle without depressing the brake pedal
  - May require additional optional equipment
- StabiliTrak, electronic stability control system with traction control
  - Automatically helps enhance control, particularly during emergency maneuvers, by adjusting the brakes and engine torque to help you stay on your intended path

### Safety-Exterior

- Daytime Running Lamps, separate cavity, LED
