- 18" Bright Silver painted aluminum wheels
  - Paired with all-season blackwall tires
- Windshield, solar absorbing
- Wiper, rear intermittent
- Wipers, front intermittent with pulse washers

## Safety-Mechanical

- Automatic Emergency Braking
  - Works with Forward Collision Alert to help you avoid or reduce the severity of a front-end collision with a detected vehicle you're following
  - Camera technology is used to automatically provide hard emergency braking or enhance the driver's hard braking
  - This feature works at speeds below 80 km/h
- Brake lining wear indicator
- Front Pedestrian Braking
  - Can help you avoid or reduce the severity of a front-end collision with a pedestrian it detects directly ahead of you
  - It provides pedestrian alerts and can even automatically provide hard emergency braking or enhance the driver's hard braking
  - The system works at speeds below 80 km/h during the daytime
  - It has limited nighttime and low visibility performance
- StabiliTrak, electronic stability control system with traction control
  - Automatically helps enhance control, particularly during emergency maneuvers, by adjusting the brakes and engine torque to help you stay on your intended path

## Safety-Exterior

- LED Daytime Running Lamps
  - Illuminate when your vehicle is running and headlamps are off
