Sierra 1500 Standard Equipment**

Interior

- Dual-zone automatic climate control
 - Automatically maintains the selected temperatures for both the driver and front passenger
 - Allows individual climate settings for both driver and front passenger
 - Driver and front passenger can choose a temperature up to 30 degrees difference
- Rear air vents
 - Provides cabin comfort for rear occupants
- Assist handles
 - Front A-pillar mounted for Driver and Passenger
 - Rear B-pillar mounted
- Brake pad wear indicator
- Compass, located in instrument cluster
- Cruise control
 - Maintains a selected speed while driving
 - Automatically disengages when the vehicle's traction control system needs to limit wheelspin on slippery surfaces or when the StabiliTrak® stability control system detects an oncoming skid
 - Set and resume speed functions
 - Steering-wheel mounted controls to easily maintain and manage cruising speed
- Rear window defogger
 - Helps to keep your rear view clear of fog or frost
 - Utilizes a warming grid to help remove fog or frost from the rear window
- Power door locks
 - Programmable
 - Allows you to lock and unlock doors easily whether it's from the driver or front passenger seat or from outside using the key fob
- 4.2" diagonal color Driver Information Center
 - Includes driver personalization, warning messages and vehicle information
- Driver memory
 - Recalls 2 driver presets for 10-way power seat and outside mirrors
 - May require additional optional equipment
- Outside temperature display
 - Located in infotainment display
- Carpeted floor covering
 - Color-keyed to match the interior
- Front carpeted floor mats
 - Helps protect your interior from road debris and the elements
 - Color-keyed to match the interior
 - Denali models feature unique premium tufted carpeting
- Rear carpeted floor mats
 - Helps protect your interior from road debris and the elements
 - Color-keyed to match the interior
 - Denali models feature unique premium tufted carpeting
- GMC Connected Access capable
 - Subject to terms. See onstar.com or dealer for details.
 - May require additional optional equipment
- In-vehicle Trailing App
 - Checklist
 - Trailer light sequencing
 - Trailer maintenance reminders
 - Trailer security alerts
 - Trailer mileage
 - Tow/haul reminder
 - Trailer electrical diagnostics

Safety-Interior

- 6 airbags
 - Dual-stage frontal airbags for driver and front outboard passenger
 - Seat-mounted side-impact airbags for driver and front outboard passenger
 - Head-curtain airbags for outboard seating positions
 - Includes front outboard Passenger Sensing System for frontal outboard passenger airbag and illuminates a status light that indicates whether the airbag is on or off
- HD Rear Vision Camera
 - Shows you a high-resolution digital image of the area directly behind your vehicle when you're in Reverse at low speeds
 - This may help you park and avoid nearby objects
 - Tailgate must be in the raised position for the HD Rear Vision Camera to operate properly
 - May require additional optional equipment
- Hitch Guidance
 - Displays a guideline on the Rear Vision Camera view when you're in Reverse to help line up your hitch to your trailer
 - When driving, Hitch Guidance allows you to briefly check your trailer using the Rear Vision Camera view
- Hitch Guidance with Hitch View
 - Displays a guideline on the Rear Vision Camera view when you're in Reverse to help line up your hitch to your trailer and offers a close-up Hitch View
 - When driving, Hitch Guidance with Hitch View allows you to briefly check your trailer connection using the Rear Vision Camera view
 - When Hitch View is in use, automatically applies electric parking brake when shifting to Park
 - May require additional optional equipment
- OnStar® & GMC Connected Services capable
 - Terms and limitations apply. See onstar.com or dealer for details.
- Rear Seat Reminder
 - Helps to remind the driver to check the back seat(s) before leaving the vehicle
 - Activates when rear doors are opened and closed up to 10 minutes before or anytime while your vehicle is on
 - Under certain conditions, once the vehicle is switched off, designed to sound 5 audible chimes and display a visual message within the Driver Information Center
 - Activates only once each time the vehicle is turned on and off, and would require re-activation on a second trip
- Teen Driver
 - This configurable feature lets you activate customizable vehicle settings associated with a key fob to help encourage better driving behavior
 - It can limit certain vehicle features, and automatically turns on certain safety systems if vehicle is equipped
 - An in-vehicle report card gives you information on driving habits and helps you to continue to coach your new driver
- Tire Pressure Monitoring System
 - Monitors the pressure in each tire and alerts you if there is a low-pressure condition in one or more of the tires
 - Properly inflate tires to help optimize your vehicle's ride, handling and efficiency
 - Includes Tire Fill Alert

Safety-Mechanical

- Includes trailer tire pressure monitoring alert ONLY when (PTT) trailer tire pressure monitor system is factory ordered and sensors are installed
 - May require additional optional equipment
 - Instrumentation
 - 6-gauge cluster
 - Speedometer, fuel level, engine temperature, tachometer, voltage and oil pressure
 - Keyless Open and Start
 - With the key fob in your possession, locks and unlocks your car's doors without having to use the key fob, increasing convenience
 - With the vehicle in Park or Neutral, press the brake pedal and then press the engine start/stop button to start the engine; the green indicator on the button will illuminate
 - Shift to Park and press the engine start/stop button to turn off the engine
 - Inside rearview auto-dimming mirror
 - Automatically dims the inside rearview mirror when it senses bright light from behind
 - When headlamp glare is no longer detected, the mirror returns to its normal state
 - 120-volt box-mounted power outlet
 - 3-prong auxiliary household-style outlet
 - Located in the pickup bed
 - May require additional optional equipment
 - 12-volt auxiliary front power outlet
 - May require additional optional equipment
 - 120-volt power outlet
 - 3-prong auxiliary household-style outlet
 - Located on the instrument panel
 - Makes it convenient for powering laptops, phone chargers and other electronic devices
 - May require additional optional equipment
 - 12-volt auxiliary rear power outlet
 - Remote Start
 - Start your vehicle remotely and step into a comfortably warmed or cooled vehicle, depending on the weather and your preset preferences
 - Locks doors and turns on parking lamps while the engine is running
 - Activates the climate control system
 - 10-way power driver seat with power lumbar
 - Moves the seat forward and back, and up and down
 - Tilt the seat cushion and seatbacks
 - 10-way power front passenger seat
 - Forward and back
 - Up and down
 - Tilt seat cushion back and upright
 - Recline seatback up and down
 - Includes 2-way power lumbar
 - Up-level rear seat with storage package
 - Full-length bench seat
 - Seatback storage on left and right side
 - Center fold out armrest with 2 cupholders
 - Underseat storage (full cab width)
 - Heated driver and front outboard passenger seats
 - Separate buttons on the climate control panel allow you to choose from 3 levels of warmth
 - At the touch of a button you can warm the cushions and seatbacks with multilevel temperature control
 - Individually controlled
 - Seats can be programmed to automatically warm up when it's cold out
 - 40/20/40 split-bench front seat with under-seat storage
 - Seating for up to 3
 - Driver and front passenger seatbacks recline
 - Head restraints at the outboard seating positions
 - Center seatback that doubles as a fold-down armrest with storage
 - Steering column lock control
 - Helps prevent theft by allowing the steering wheel to operate only with the proper key fob
 - Manual tilt and telescoping steering column
 - Allows the driver to adjust the steering wheel up or down, and the steering column forward or back
 - Provides extra comfort when entering or exiting the vehicle
 - Heated steering wheel
 - With the press of a button the steering wheel quickly heats up to provide additional comfort on a cold day
 - Leather-wrapped steering wheel
 - May require additional optional equipment
 - Theft-deterrent unauthorized entry system
 - Sounds the horn and flashes the turn signals when someone attempts to open the vehicle without the proper key or remote transmitter
 - Helps deter unauthorized entry, helping to protect your vehicle
 - USB ports
 - 2-Instrument Panel with bench seat, also includes 1 SD card reader (first row) (models equipped with front bench seat)
 - 2-Inside Console with bucket seats, also includes 1 SD card reader and auxiliary jack (models equipped with front bucket seats)
 - USB ports
 - Second row includes 2 USB charging-only ports
 - Power windows
 - Front passenger with express-up/down
 - May require additional optional equipment
 - Power windows
 - Driver with express-up/down
 - May require additional optional equipment
 - Power windows with rear express-down
 - May require additional optional equipment
- Mechanical**
- 170-amp alternator
 - May require additional optional equipment

- StabiliTrak, electronic stability control system with traction control
 - Automatically helps enhance control, particularly during emergency maneuvers, by adjusting the brakes and engine torque to help you stay on your intended path
 - Activates when vehicle sensors detect a difference between the driver's intended path and the direction the vehicle is actually travelling
 - Includes Traction Control that detects wheel slippage and applies brake pressure and/or reduces engine power to help the driver maintain control when accelerating on wet or snow-covered roads
 - Includes Brake Assist that senses how hard and fast a driver hits the brake pedal and gives extra braking assistance, if required
 - Includes Trailer Sway Control
 - Hill Start Assist

Exterior

- Chrome front bumper
 - Chrome rear bumper
 - With integrated CornerSteps
 - CornerStep rear bumper
 - Helps make it easier to get into and out of the pickup bed
 - Located at each end of the rear bumper
 - Textured step pads to help provide secure footing
 - Chrome door handles
 - LED fog lamps
 - Help minimize glare in adverse driving conditions
 - Deep-tinted glass
 - Provides added protection from sun and glare
 - Grille (Chrome surround with high gloss Black mesh and Chrome inserts.)
 - LED reflector (high intensity) headlamps with LED turn signals and LED signature Daytime Running Lamps
 - C-shaped LED headlamps with signature lighting and innovative light blade technology
 - Cargo bed LED lighting
 - Provides light to find cargo in the bed
 - Rear pillar lamps
 - Cab-mounted cargo area lamps
 - With switch in switch bank left of the steering wheel
 - Illuminates the cargo bed area
 - Chrome mirror caps
 - Heated, power, driver-side auto-dimming, power-folding outside mirrors
 - Puddle lamps
 - Perimeter lighting
 - Memory setting
 - Full chrome surround window moldings
 - Tailgate and bed rail protection caps
 - GMC MultiPro Tailgate
 - Six function tailgate design to help improve loading, unloading and access the cargo box
 - Tailgate with EZ Lift assist, power lock & release
 - Hitch area lighting
 - May require additional optional equipment
 - LED signature taillamps
 - C-shaped LED taillamps with LED stop and reverse light
 - Brighter and lasts longer than traditional incandescent bulbs
 - Spare tire carrier lock
 - Helps keep spare tire secure
 - Utilizes the same key as the door and ignition
 - 17" 265/70R17SL all-season, blackwall spare tire
 - May require additional optional equipment
 - 18" 265/65R18SL all-season, blackwall tires
 - 17" full-size spare steel wheel with Black finish
 - Rear wheelhouse liners
 - Help protect your truck's rear wheelhouse area from damage caused by dirt, rocks, mud, road salt and the weather
 - 18" 6-spoke machined aluminum wheels with Dark Grey Metallic accents
- Safety-Exterior**
- LED Daytime Running Lamps
 - Daytime Running Lamps automatically illuminate signature lighting

Warranty

- Warranty: { term <<< Preliminary 2021 Warranty >>> }
- Basic: { term 3 Years/36,000 Miles }
- Drivetrain: { term 5 Years/60,000 Miles } { term HD Duramax Diesel: 5 Years/100,000 Miles; Qualified Fleet Purchases: 5 Years/100,000 Miles }
- Corrosion: { term 3 Years/36,000 Miles } { term Rust-Through } { term 6 Years/100,000 Miles }
- Roadside Assistance: { term 5 Years/60,000 Miles } { term HD Duramax Diesel: 5 Years/100,000 Miles; Qualified Fleet Purchases: 5 Years/100,000 Miles }
- Maintenance: { term 1 Year/1 Visit }

- Automatic locking rear differential
- When the differential senses a significant difference in wheel speed, it locks to turn both rear wheels in unison for added traction
- The Eaton® Locker senses a difference in wheel speed of approximately 100 rpm
- Automatic Stop/Start
- At complete stops, when drivers keep their foot on the brake pedal, and under certain conditions, the engine shuts off
- When drivers remove their foot from the brake, the engine automatically restarts
- Under certain circumstances, the engine will not shut off at a complete stop
- This feature can be disabled with a switch on the center stack
- Battery, heavy-duty 730 cold-cranking amps/80 Amp-hr, maintenance-free with rundown protection and retained accessory power (Included and only available with (L84) 5.3L EcoTec3 V8 engine, (L3B) 2.7L Turbo engine and (L87) 6.2L EcoTec3 V8 engine.)
- 4-wheel antilock disc brakes
- Help reduce wheel lockup and maintain steering control during hard braking on most slippery surfaces
- Duralife brake rotors have better resistance to corrosion to increase rotor life, minimize brake pulsation, and improve aesthetic appearance
- Brake system features a corrosion-fighting process called "Ferritic Nitro Carburizing" which can double rotor life expectancy and reduce or minimize rust
- Capless fuel fill
- Prevents paint scratches that can result from a tethered fuel cap
- Creates a tight seal around the fuel-pump nozzle when the nozzle is fully inserted
- Cargo tie-downs
- 12-fixed rated at 500 lbs. per corner
- External auxiliary transmission oil cooler
- Heavy-duty air-to-oil cooler
- Helps provides optimal transmission performance even when operating under a heavy load or towing a trailer
- May require additional optional equipment
- External engine oil cooler
- Heavy-duty air-to-oil cooler
- Helps prevent possible engine oil breakdown under heavy loads
- 5.3L EcoTec3 V8 engine
- 355 hp [265 kW] @ 5600 rpm
- 383 lb-ft of torque [518 Nm] @ 4100 rpm
- Paired with either a 8-speed or 10-speed automatic transmission
- As of March 2021, most L84 engines with an 8-speed automatic transmission are not equipped with Dynamic Fuel Management. Contact a dealer for details about a specific vehicle
- Vehicles not equipped with Dynamic Fuel Management technology will be less fuel efficient
- May require additional optional equipment
- Aluminized stainless-steel muffler and tailpipe
- Single-outlet exhaust
- May require additional optional equipment
- Four wheel drive
- Fully boxed frame
- Hydroformed front section
- High-strength steel
- 7,100 lbs. GVWR
- When properly equipped; includes weight of vehicle, passengers, cargo and equipment
- May require additional optional equipment
- Pickup bed
- Roll-formed high-strength steel
- 3.23 rear axle ratio
- May require additional optional equipment
- Black vertical recovery hooks
- Two front frame-mounted
- Electric Power Steering
- Increases or decreases the amount of assist depending on the steering wheel angle
- Electric, rack-mounted with variable assist
- The system delivers great on-center precision and confident performance at higher speeds
- Steering assist is greater during low-speed maneuvers, such as parking
- Integrated trailer brake controller
- Integrated with the antilock brake system (ABS)
- Helps provide measured brake force signaling to electric-controlled trailer brake systems
- Trailer gain and output are displayed in the Driver Information Center
- Single-speed Autotrac Transfer Case
- 3 Transfer Case modes
- 2WD HI mode
 - Vehicle operates in 2-wheel drive
 - In this mode the transfer case & front driveline hardware are disengaged to improve fuel economy
 - Suitable for routine driving on all road surfaces
- 4WD Auto mode
 - 4WD Auto enables the transfer-case to provide the performance benefits of a full time active AWD system
 - The 4WD Auto controls automatically adjust torque in response to parameters such as driver inputs, wheel slip control, vehicle dynamic state (understeer/oversteer)
 - Ideal for wet or wintry conditions, but can be used on any road surface. Suitable for light off road usage
- 4WD HI mode
 - Transfer case engages front driveline and power is transferred to both the front & rear axles
 - In 4WD HI the transfer case clutch maintains higher preemptive torque levels for increased traction vs 4WD Auto
 - Suitable for use on slippery road surfaces or off-road conditions such as deep sand, snow or rough terrain

- Terrain mode
 - 4WD HI and provides improved low speed traction and vehicle control during off road driving
- 8-speed automatic transmission
- Electronically controlled with overdrive
- Tow/Haul mode
 - Raises transmission upshift points to provide more power to accelerate with a trailer or heavy load
 - Raises downshift points to use engine compression to help slow the truck instead of merely braking
- Powertrain Grade Braking
 - Automatically uses the engine and transmission to slow the truck to maintain desired speeds when driving downhill
 - Reduces brake wear and increases vehicle control
- Cruise Grade Braking
 - Downshifts automatically to slow the truck as it drives downhill if it exceeds the cruise set speed by a certain amount
- May require additional optional equipment

Entertainment

- 4G LTE Wi-Fi® hotspot capable
 - Terms and limitations apply. See onstar.com or dealer for details.
 - May require additional optional equipment
- 6-speaker audio system
 - Speakers are positioned throughout the cabin for outstanding sound quality and an enjoyable listening experience
- 8" diagonal Premium GMC Infotainment System
 - Multi-touch display and AM/FM/SiriusXM(trial subscription), stereo
 - HD Radio capability
 - Bluetooth® streaming audio for music and select phones
 - Apple CarPlay™ capability for compatible phones
 - Android Auto™ capability for compatible phones
 - Use, control and manage select smartphone apps through the Infotainment system
 - Voice-activated technology for phone
 - USB port(s) to play stored audio files through your vehicle's audio system
- Bluetooth®
 - Pair your compatible mobile phone to your vehicle's infotainment system
 - Place and receive hands-free phone calls
 - Store your phone's contact list in the system to place an outgoing call quickly using the touch-screen display or voice command system
 - With streaming audio capability, you can listen to files stored on your phone or Bluetooth digital media device
- HD Radio
 - Provides consumers with additional channels known as HD2, HD3 and HD4
 - Transmits Program Service Data, such as song titles and artist information
- SiriusXM Radio
- SiriusXM with 360L Equipped with SiriusXM with 360L. Enjoy a trial subscription of the All Access package for the full 360L experience, with a greater variety of SiriusXM content, a more personalized experience and easier navigation. With the All Access package, you can also enjoy your favorites everywhere you go, with the SiriusXM app, online and at home on compatible connected devices. (IMPORTANT: The SiriusXM radio trial package is not provided on vehicles that are ordered for Fleet Daily Rental ("FDR") use. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. See the SiriusXM Customer Agreement at www.siriusxm.com for complete terms and how to cancel. All fees, content, features, and availability are subject to change. GM connected vehicle services vary by vehicle model and require active service plan, working electrical system, cell reception and GPS signal. See onstar.com for details and limitations.)
- Steering-wheel mounted controls
 - Allow the driver to easily operate the audio system and phone interface controls
 - May require additional optional equipment
- Wireless Apple CarPlay/Wireless Android Auto capability for compatible phones
 - Can use Apple CarPlay and Android Auto wirelessly
 - Apple CarPlay vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. Apple CarPlay is a trademark of Apple Inc. Siri, iPhone and Apple Music are trademarks for Apple Inc, registered in the U.S. and other countries.
 - Android Auto vehicle user interface is a product of Google™ and its terms and privacy statements apply. Requires the Android Auto app on Google Play and a compatible Android™ smartphone. Data plan rates apply. You can check which smartphones are compatible at g.co/androidauto/requirements. Android Auto is a trademark of Google LLC.
 - May require additional optional equipment

Package

- ProGrade Trailering System includes (PZ8) Hitch Guidance with Hitch View and (U1D) In-vehicle Trailering App
- Trailering Package
 - Trailer Hitch
 - Trailering hitch platform
 - Includes a 2" receiver hitch, 4-pin and 7-pin connectors
 - 7-wire electrical harness and 7-pin sealed connector for connecting your trailer's lights and brakes to your vehicle
 - Automatic locking rear differential
 - Hitch Guidance

While every effort is made to assure this information to be accurate, variations in the manufacturing process, dealer installed accessories and mileage figures may cause this window sticker display to vary from that on the vehicle. Check with your dealer for complete information.

* Manufacturer's Suggested Retail Price. Tax, title, license, dealer fees and optional equipment extra.

**The features and options listed are for a New 2021 GMC Sierra 1500 SLT and may not apply to this specific vehicle.
