 - You can switch between the camera view and a traditional rear-view mirror
 - Allows brightness, zoom and vertical tilt adjustment
 - Traditional rear-view mirror is auto-dimming
- Remote Start

Mechanical

- Brembo® antilock brakes
 - Help reduce wheel lockup and maintain steering control during hard braking on most slippery surfaces
 - Brembo 4-piston/2-piece front calipers and 4-piston/monobloc rear calipers
 - Large 12.6" (321 mm) front rotors and 13.3" (339 mm) rear rotors
 - Includes Corvette script on calipers
- Limited-slip rear differential
 - When the differential senses a significant difference in wheel speed, it locks to turn both rear wheels in unison for added traction
- 6.2L V8 DI engine
 - 490 hp @ 6450 rpm
 - 465 lb-ft @ 5150 rpm
 - 495 hp and 470 lb-ft of torque with the available Performance exhaust or Z51 Performance Package
 - 0-60 mph in under 3 seconds with the available Z51 Performance Package
 - Includes a dry sump oil system
 - Variable Valve Timing
 - Active Fuel Management™
- Aluminized stainless-steel exhaust with stainless-steel quad tips
- Aluminum body structure
 - Aluminum structure with carbon fiber components
 - More than 10% stiffer than the previous generation, which contributes to ride and overall confidence-inspired handling
 - A strong, stiff and lightweight main structure of 6 high-pressure diecast aluminum parts, minimizing the number of joint within the vehicle
- Rear wheel drive
- Power steering
 - Magnetic, rack-and-pinion, Electric Power Steering (EPS) with variable assist and ratio
- Corvette standard suspension
 - Short/long arm (SLA) double wishbone, forged aluminum upper and cast aluminum L-shape lower control arms
 - 46 mm monotube shock absorbers
 - Direct-acting stabilizer bar in the rear
- 8-speed dual clutch transmission
 - Driving engagement of a manual with the speed and smoothness of an automatic
 - Continuous transmission of torque and power to the wheel
 - Ultra-fast and precise shifts that happen in as fast as a hundred milliseconds
 - Double paddle declutch feature allows disengagement of clutch by holding both paddles

- Start your vehicle remotely and step into a comfortably warmed or cooled vehicle
- 8-way power driver seat
- Power driver seatback bolster
- 8-way power passenger seat
- Power passenger seatback bolster
- Power driver seat lumbar control
- Power passenger seat lumbar control
- Black seat belt color
 - Standard seat belt color for all interiors except Natural Dipped which includes Natural seat belts, Tension Blue/Twilight Blue Dipped which includes Tension Blue seat belts, and Sky Cool Gray/Strike Yellow which includes Yellow seat belts
- GT1 bucket seats
 - Designed for comfort and support
- Heated and ventilated driver and passenger seats
 - Keep cool in summer and warm in winter with these heated and ventilated seat cushions and seatbacks
- Power tilt and telescoping steering column
 - Allows the driver to adjust the steering wheel up or down, and the steering column forward or back
 - Provides extra comfort when entering or exiting the vehicle
- Steering-wheel mounted controls
 - Allow the driver to easily operate the audio system, phone interface, cruise control and Driver Information Center controls
- Heated steering wheel
 - With the press of a button the steering wheel quickly heats up to provide additional comfort on a cold day
- Leather-wrapped steering wheel
 - Racing-style flat top and bottom, 2-spoke design
 - Allows for less obstructed view of the road and instrument cluster
- Inclination sensor
 - Detects vertical motion of your vehicle and triggers an alarm response if your vehicle or wheels are lifted with a tow truck or a vehicle jack
- Interior movement sensor
 - As part of the security system, monitors the vehicle interior
 - Activates the alarm when it senses unauthorized entry or movement
- Theft-deterrent system
 - Sounds the horn and flashes the turn signals when someone attempts to open the vehicle without the proper key or remote transmitter
 - Helps deter unauthorized entry, helping to protect your vehicle and its contents
- Theft-deterrent system
 - Sounds the horn and flashes the turn signals when someone attempts to open the vehicle without the proper key or remote transmitter
 - Helps deter unauthorized entry, helping to protect your vehicle and its contents
- Universal Home Remote
 - 3-channel programmable
 - Conveniently activates compatible devices such as garage door openers, security systems, and home automation devices from inside your vehicle
- Vehicle health management
 - Provides advanced warning of vehicle issues
- Driver and passenger visors with illuminated mirrors
 - Covered vanity mirrors
- Power windows
 - Driver and passenger express-up/down
 - Also includes power rear window on Convertible model
- Wireless Charging
 - Uses induction technology for portable electronic devices

Safety-Interior

- Airbag system
 - Frontal airbags for driver and passenger
 - Seat-mounted side-impact head/thorax airbags for driver and passenger
 - Includes Passenger Sensing System which automatically switches the passenger seat frontal airbag on or off and illuminates a status light that indicates whether the airbags are on or off
- HD Front and Rear Vision Cameras
 - When in forward gear at low speeds, two HD Front camera shows you a high-resolution digital image of the area directly in front of your vehicle. This may help you park and avoid nearby objects, such as curbs, poles or parked vehicles. You can select additional views of your camera display including a top-down view of the front of the vehicle and its surroundings
 - When in Reverse at low speeds, HD Rear Vision Camera shows you a high-resolution digital image of the area directly behind your vehicle. This may help you park and avoid nearby objects
 - Console button-activated for front view or activated when shifted to Reverse
 - Selectable dynamic guidelines laid over the display image assist in parking maneuvers by showing the vehicle's path
- OnStar® & Chevrolet Connected Services capable
 - Terms and limitations apply. See onstar.com or dealer for details.
- Rear Cross Traffic Alert
 - Can warn you of detected left or right cross traffic behind your vehicle when you're in Reverse
- Rear Park Assist
 - Can provide distance alerts to nearby detected objects behind your vehicle to help you park and avoid collisions when you're in Reverse at low speeds
 - Certain vehicles built on or after January 24, 2022 will not be equipped with Rear Park Assist
 - Feature will not function on certain models without dealer retrofit, see Dealer for details
 - Contact a dealer for details or check the window label for the features on a specific vehicle
- Side Blind Zone Alert
 - Can provide side-mirror visual alerts when a moving vehicle is detected in a side blind zone
 - It can help you avoid lane change collisions
- Teen Driver
 - This configurable feature lets you activate customizable vehicle settings associated with a key fob to help encourage better driving behavior
 - It can limit certain vehicle features, and automatically turns on certain safety systems if vehicle is equipped
 - An in-vehicle report card gives you information on driving habits and helps you to continue to coach your new driver
 - Includes Buckle-to-Drive which prevents the driver from shifting from Park for up to 20 seconds if the driver's seat belt is not fastened

Safety-Mechanical

- Active handling stability control with traction control
 - Automatically helps enhance control, particularly during emergency maneuvers, by adjusting the brakes and engine torque to keep you on your intended path
 - Activates when vehicle sensors detect a difference between the driver's intended path and the direction the vehicle is actually travelling
 - Includes Traction Control that detects wheel slippage and applies brake pressure and/or reduces engine power to help the driver maintain control when accelerating on wet or snow-covered roads
- Traction control, all-speed

Exterior

- Carbon Flash Exterior Badge Package
- Carbon Flash exterior accents
 - Front and rear grille accents
 - Side vents
 - Also includes tonneau vent on Convertible model
- Solar-Ray® light-tinted glass
- LED headlamps
- Body-color heated, driver-side auto-dimming power-folding outside mirrors with integrated turn signal indicators
 - Heated feature helps clear away ice and fog
 - The auto-dimming feature automatically adjusts the outside mirror when it senses bright light from behind
 - Integrated turn signal indicators help communicate your intention to change lanes
- Body-color roof panel
 - Lightweight and removable
 - Stores securely in the rear trunk
- Michelin® Pilot® Sport All Season 4 245/35ZR19 front and 305/30ZR20 rear, performance, run-flat tires
- 19" front/20" rear 5-open-spoke Bright Silver-painted aluminum wheels
 - Front 19" x 8.5" wheels
 - Rear 20" x 11" wheels
- Front intermittent wipers
